OFFICE OF THE CHAIRMAN

FEDERAL TRADE COMMISSION
 AUG 23 1997
 P894219
 1827902701008
 SECRETARY

Dear Mr. Pitofsky:

As a retired hard working American I would as well as many retired people would appreciate very much if you and the rest of the Board would keep the current "made in the U.S.A." labeling standard.

I'm sick of going to a department store to buy clothing and it is made overseas somewhere. We need more American made goods. Thank You

Mr. Ralph O. Atter
