Please Note;

1. item, - pride in the product.
2. item, quality in the product.
3. item, cost a few cents more but worth the outlay.
4. item, made with material of U.S.A. origin.
5. item, made while adhering to environmentally sound principles.
6. item, made by people making a living wage. not child labor.
7. item, made here - sold here - no harm to the trade deficit.
8. item, to change this present high standard to piece Stanley tool & the mfg. assoc. is "reasonable" over.

and unthinkable for people  
tricked with your power.

9. item if the label says "made  
in U.S.A." and the product is  
not produced here & finished here  
then made in "U.S.A. becomes  
a lie."

10. item. Please no nonsense  
no charge.

Thank you.
