To: Office of Secretary (FTC)  
Federal Trade Commission, Rm. 159  
6<sup>th</sup> Street + Penn. Ave. NW  
Washington, Dist. of Columbia, USA  
20580

I am outraged that your office would endorse a Benedict Arnold maneuver by even considering a 75% only Made in USA labeling. Anything less than 98% is a lie, and dishonest to the concerned American public.

You are public servants. Obey the desires of the American public. We are tired of exported jobs and dishonesty in govt and in advertising!

Walter H. Wittenbach, MD
