Made IN the USA
Policy comments
No. P894219
Room 159
Washington, DC 20580

To whom it may concern:
We are writing to urge the FTC
Not to change its policy concerning
"MADE IN THE USA" Labeling. Seventy-five
percent manufactured in the US is still
25% foreign-made. "MADE IN THE USA"
labeling should mean that all or
virtually all of a product was made
in our country.
