Subject: PUBLIC COMMENTON FEDERAL REGISTER OF 9/15/04 VOL 69 NO 178 PG 55632

US FTC
E MAIL AUTHENTICATION SUMMIT

THE PRESENT SYSTEM SEEMS TO CUT OUT THE PUBLIC FROM
USING THIS AND THAT IS ABSOLUTELY WRONG.

THE PUBLIC HAS DIFFICULTY IN SENDING IN 15 PAPER
COPIES OF SOMETHING WHEN IT WANTS TO COMMENT ON A
GOVERNMENT ACTION AND SOME GOVERNMENT AGENCIES REQUIRE
THIS.

THE PUBLIC SHOULD BE ABLE TO USE E MAIL WWHICH WORKS
FOR EVERYBODY IN THIS COUNTRY EVERY DAY, EXCEPT FOR
FTC.

COMMENT ON PAGE 3 - SENDING MALICIOUS SPAM SHOULD BE
ILLEGAL. THOSE WHO DO IT SHOULD BE FINED \$500,000,
JAILED FOR A MINIMUM OF 6 MONTHS.
