Dear Secretary of the Trade Commission,

I am writing to protest the rule change regarding the U.S.A. labeling. This is a matter of the Trade Commission creating a law, thereby excusing or diminishing the backlash that the American public would institute under the diabolical trade laws created by NAFTA and GATT.

A Chinese modem, in a Tiawan case, with a Korean case and assembled in the United States is **not** an American product! You are only excusing cheaply manufactured goods made by slave labor, and only the defectors will use this scheme.

I only buy products made in the U.S.A. to help the manufacturers here to keep in business. NAFTA and GATT has robbed us of over 3 million jobs, and you want to make the situation worse. That is renegade trade and treasonous.

KEEP THE MABE. IN U.S.A. LABEL AS IS

Sincerely,

Mary A. Johnson
