

KEEP THE MADE IN THE USA LABEL AS IS. WE CAN  
 USE OTHER TERMS AS BUILT IN THE USA INSTEAD OF CHANGING IT.  
 THE 'PRESIDENTS' VOLUNTEER SUMMIT...or

A TRI-GLOBAL SERF PROGRAM . . . . .

LET'S FIRST BRING BACK THE REAL JOBS AND GROW MORE.

VOLUNTEERING? - SORRY TOO MANY OF US ALREADY HAVE GIVEN AT THE OFFICE OR-  
 HOW MANY DOES IT TAKE TO SUPPORT ONE POLITICIAN OR OTHERS IN THE PUBLIC  
 SECTOR. Too many have given away too much to support these people and  
 how many politicians does it take to screw in one light bulb.

Many workers now are practically volunteering their service especially since  
 the value of many jobs have been cut in half in the past several years while  
 other real jobs have vanished. TIME IS RUNNING OUT! SO CALLED VOLUNTEERING,  
 CUTTING TAXES AND THE BUDGET IS LIKE PUTTING A BAND-AID ON A BULLET HOLE!  
 An economy has its own ecology. If jobs at the start of an economic chain  
 vanish what is left to support the rest of the chain. A job closest to  
 the beginning has the power to generate about seven other jobs while  
 service jobs are at the end of the chain and parasite off the others. We  
 have exported the jobs that generate an economy just at a time when we need  
 to grow the economy to support the entitlements in place. Reducing the budget  
 is a good idea but this way it takes a very long time to grow the economy.  
 On top of this if the money supply is being fine tuned to the extent the  
 Federal Reserve is doing it, this in itself stops growth especially when it  
 affects the stock market. The stock market now depends on workers being fired  
 and not hired while one worker is called to do the work of three. At the same  
 time the value of jobs are being cut up to 50% of what people made twenty-five  
 years ago. The stock market is thriving on others losses now.

On top of this, the American worker has been put on a world trading 'block  
 as a commodity and no longer as a person with dignity to compete with 20¢ an  
 hour and even . slave labor. We do not need any conspiracy theories to know
