Dear Sir:

Please leave the label made in U.S.A., in our American made garments.

Recently, my granddaughter's grandparents who were in Canada, and they brought home sweatshirts, which had made in Canada labels on them. If souvenirs from <sup>Canada</sup> must be made in Canada, why not have the same thing here in the U.S.A.

Leave the Made in U.S.A. in our garments & other products.

Rf.  
Former  
Garment worker.

Sincerely,
