7-22-97

Federal Trade Comm.  
Rm. 159  
Washington, D.C. 20580

To Whom it may concern:

Please do not change the present law regarding that "all or virtually all" of a product made in the U.S. be made domestically before it can be labeled "made in U.S.A."

Your commission has made decision after decision that has been detrimental to the United States. Changing this 50 year rule would add another grain shot to the American citizenry.

Thank you for your consideration.

Yours truly,  
Hal Peters
