It's your turn for success.

"I can keep my full time job and also maintain my 30 machines with no problem. I maintain all my machines in just one Saturday a month. Lifestyle Vending can take you there."

Call Lifestyle Vending for assistance with ordering machines, choosing candy and recommending resources to help you select the best locations for your new vending machines

Lifestyle Vending will supply you with all the tools you need to help you get started in the lifestyle vending business!

Imagine yourself in an all cash business with an 80% profit margin. You'll be reaping the tax advantages of being self employed. We can supply you with everything you need to keep your machines full of product.

You can keep your day job and grow your vending machine business at your own pace. Eventually you may even decide to quit your full time job and enjoy working part time while racking in full time profits. This may sound like a dream, but it actually can be your reality. Lifestyle vending will help you achieve the lifestyle most people only dream of.

Remember the more machines you have, the more money you can make.

Product costs should not exceed 5¢ per 25¢, this amounts to at least an 80% profit margin.
