

H.R. 1374  
SECTION-BY-SECTION ANALYSIS

Section 1

(a) Amends the “Florida National Forest Land Management Act of 2003,” by authorizing the Secretary of Agriculture to convey any right, title, and interest of the United States in and to a parcel of Federal land consisting of approximately 114 acres, located in Leon County in the State of Florida.

(b) Mandates that the net proceeds from any sale or exchange of land made under the Florida National Forest Land Management Act are to be deposited in the Sisk Act fund and are to be made available for the acquisition, construction, or maintenance of administrative improvements for units of the National Forest System in the State of Florida.

(c) Provides that proceeds from the sale or exchange of the tract of land in Leon County are to be used exclusively for the purchase of inholdings in the Apalachicola National Forest. Additionally, any proceeds from the sale or exchange of land may be used for administrative improvements only if the land generating the proceeds was improved with infrastructure.
