

Dear Colleague:

Enclosed are two Program Instructions that contain application procedures for fiscal year (FY) 2003 Child Care and Development Fund (CCDF) money. The materials required for FY 2003 CCDF funding must be received by the Administration for Children and Families (ACF) no later than July 1, 2002.

- ACYF-PI-CC-02-01 contains the procedures that apply to most Tribes, whether they are current grantees or new applicants.
- ACYF-PI-CC-02-02 contains the procedures for Tribes that choose to consolidate the CCDF program with other employment and training funding sources under an approved P.L. 102-477 plan.

Construction and Renovation

Tribal Lead Agencies must first request and receive approval from ACF through a separate application process before using CCDF funds for construction or major renovation (see Program Instruction ACYF-PI-CC-01-01, dated February 5, 2001). We would like to remind you of upcoming deadlines related to the construction and renovation procedures:

- If you plan to submit an application to use FY 2002 CCDF funds for construction or renovation, your ACF Regional Office must receive your construction/renovation application prior to July 1, 2002.
- Tribal Lead Agencies with FY 2000 funds in a separate grant award for construction or renovation must liquidate these funds by September 30, 2002.

Sincerely,

/s/

**CHILD CARE AND DEVELOPMENT FUND
PROGRAM INSTRUCTION**

- To** Tribal Lead Agencies consolidating child care programs under P.L. 102-477. This Program Instruction only applies to Tribes currently operating or planning to operate an employment, training and related services program under P.L. 102-477.
- Purpose** To provide information on the procedures to consolidate the Child Care and Development Fund (CCDF) program with other employment and training funding sources under a P.L. 102-477 plan.
- References** Section 418 of the Social Security Act; the Child Care and Development Block Grant Act of 1990 (CCDBG) as amended. 45 CFR Parts 98 and 99, and the Indian Employment, Training and Related Services Demonstration Act of 1992, as amended (P.L. 102-477).
- Background** The Indian Employment, Training and Related Services Demonstration Act of 1992, as amended (P.L. 102-477) was enacted to:
- Demonstrate how Indian tribal governments can integrate the employment, training and related services they provide in order to improve the effectiveness of those services;
 - Reduce joblessness in Indian communities;
 - Foster economic development on Indian lands; and
 - Serve tribally determined goals consistent with the policies of self-determination and self-governance.
- In accordance with P.L. 102-477, eligible tribal applicants may choose to streamline tribal services by submitting a consolidated plan for employment, training and related services to the Bureau of Indian Affairs (BIA), Department of the Interior. Eligible applicants may include the Child Care and Development Fund (CCDF) in their 102-477 plan. The CCDF is comprised of two funding sources:

- Discretionary Funds – funding that is provided under the Child Care and Development Block Grant Act, as amended; and
- Tribal Mandatory Funds – funding that is provided to eligible Tribes and tribal organizations under Section 418 of the Social Security Act.

Tribes that elect to consolidate their CCDF funds under a 102-477 plan are still required to operate comprehensive CCDF programs. By applying for CCDF funds, a Tribe agrees to follow the provisions of the CCDBG Act of 1990, as amended, and applicable regulations at 45 CFR 98 and 99. However, in contrast to the required CCDF application and plan process, Tribes that consolidate CCDF funds under a 102-477 plan are permitted to submit abbreviated applications and plans for CCDF funding.

Eligibility

Pursuant to 45 CFR 98.62, a Tribe is eligible to receive CCDF funds if the Tribe is federally recognized and the tribal population includes at least 50 children under age 13.

A Tribe with fewer than 50 children under age 13 may participate in a consortium of eligible tribes. In order to be eligible to receive CCDF funds on behalf of its member Tribes, a consortium must:

- Consist of Tribes that meet the eligibility requirements for the CCDF program or that would meet the eligibility requirements if the Tribe or tribal organization had at least 50 children under age 13; and
- Adequately demonstrate it has authorization from each participating Tribe to receive CCDF funds on behalf of the Tribe.

Special Rule for Indian Tribes in Alaska - Only the Metlakatla Indian Community of the Annette Islands Reserve and the 12 Alaska Native Regional Nonprofit Corporations are eligible to receive Tribal Mandatory Funds. New Tribal Applicants in Alaska should contact ACF Region X (Attachment C) with questions about this Special Rule.

The 102-477 Process

To receive CCDF funding under a consolidated 102-477 plan, all tribal grantees and tribal applicants must: 1) Be eligible to receive CCDF funding (see Eligibility Section of this Program Instruction); and 2) Have submitted a consolidated 102-477 plan to BIA that includes the CCDF program. Although 102-477 plans cover multi-year periods, current 102-477 grantees and new tribal applicants must apply annually for CCDF funds.

Annual 102-477 Application Requirement

An annual Child Count Declaration (Attachment A) must be submitted to receive FY 2003 CCDF funds. By submitting a signed Child Count Declaration, the Tribe is making application for FY 2003 CCDF funds, according to the estimated allocation for the Tribe on the FY 2003 Tribal Estimates Chart (Attachment B).

By applying for FY 2003 CCDF funds a Tribe agrees to follow the provisions of the Child Care and Development Block Grant Act of 1990, as amended, and applicable regulations at 45 CFR Parts 98 and 99.

Current grantees that apply for FY 2003 funds continue to be required to meet the assurances and certifications provided in the 102-477 plan for the remainder of the plan period. A **new** tribal applicant must include the required assurances and certifications as part of its plan submittal (see Attachment D).

Tribal Child Counts

For funds that become available in FY 2003, ACF will calculate grant awards based on the number of children under age 13. A Tribe must submit a self-certified Child Count Declaration for children **under age 13** (not age 13 and under).

The Child Count Declaration must certify the number of Indian children (as defined in the CCDF section of the 102-477 Plan), under age 13, who reside on or near the reservation or service area. The Child Count Declaration is provided at Attachment A. The Child Count Declaration must be signed by the governing body of the Tribe or a person authorized to act for the applicant Tribe or organization.

IMPORTANT NOTE REGARDING CHILD COUNTS: In prior years, ACF had an established procedure to determine the child count for those Tribal Lead Agencies that elected not to include a child count with their CCDF Plan or annual CCDF funding application. **Beginning last year, all Tribal Lead Agencies were required to submit a self-certified Child Count Declaration for CCDF funding purposes.**

An application submitted without a Child Count Declaration will be treated as an incomplete application. Therefore, to facilitate the approval process, a signed, completed Child Count Declaration (Attachment A) must be submitted to the ACF Regional Office by July 1, 2002 (Attachment C). This new policy was announced in 2000 in ACYF-PI-CC-00-02 and is designed to ensure that funds are equitably distributed based on the most recent data.

PLEASE BE ADVISED: The Tribal Lead Agency ***may not count*** any children who are included in the child count of another CCDF Tribal Lead Agency. To ensure unduplicated child counts, a Tribal Lead Agency is **required** to confer with **all** other CCDF Tribal Lead Agencies that have overlapping or neighboring service areas.

Tribal Lead Agencies are reminded that CCDF funds are allocated based on child counts of children from Federally recognized Indian Tribes, consistent with the Child Care and Development Block Grant Act's definition of Indian Tribe.

Tribal Lead Agencies are also advised that ACF will not accept declarations based on child counts that were conducted prior to July 1 of the previous year. For FY 2003 funding, the child count of children under age 13 must be completed no later than June 30, 2002 and no earlier than July 1, 2001.

102-477 Plan Requirements

The CCDF program may be incorporated into a P.L. 102-477 plan that covers multi-year periods. If an applicant elects to include CCDF in a consolidated 102-477 plan, the following CCDF requirements must be included in the 102-477 plan:

1. A statement of intent to administer the CCDF program under a P.L. 102-477 consolidated plan.
2. A description of the way CCDF services will be integrated and delivered with the employment and training programs included in the 102-477 plan, and the results expected.
3. The agency or agencies of the tribal government (or tribal consortium) to be involved in the delivery of CCDF services under the plan. Note: if the CCDF Lead Agency changes during the approved plan period, the grantee must submit a written notification of this change to the BIA.
4. A description of the results of the Tribal Lead Agency's coordination activities with agencies responsible for health (including the agency responsible for immunizations), education, employment services or workforce development, and the State TANF agency and/or tribal TANF agency – if the Tribe is operating its own TANF program.
5. A description of the public hearing process held to provide the Tribe (or member Tribes in the case of a tribal consortium) an opportunity to comment on the proposed CCDF activities under the consolidated 102-477 plan.
6. A copy of a sliding fee scale that provides for cost sharing by families and is based on income and family size. A grantee may waive contributions from families whose incomes are at or below the poverty level for a family of the same size, or may apply different sliding fee scales.
7. Definitions for 1) Indian Child; and 2) Indian Reservation or Tribal Service Area. Tribes have broad latitude in defining these terms that are used to determine eligibility. An applicant's child count declaration -- required in the annual CCDF application -- is based on the definition of these terms.
8. Any statutory provisions, regulations, policies, or procedures that the Tribe requests to be waived.
9. A consortium must submit a demonstration (e.g., a tribal resolution) from each member Tribe that authorizes the consortium to receive CCDF funds on its behalf for the duration of the plan period.

Waivers

Section 7 of P.L. 102-477, as amended, authorizes the Secretary of the Department of Health and Human Services to waive any statutory provision, regulation, policy, or procedures requested by a Tribe, as long as the waiver is not inconsistent with the purpose of P.L. 102-477 or with provisions of the Child Care and Development Block Grant Act, as amended.

To obtain a waiver, the 102-477 plan **must**:

- Identify the specific statutory provision, regulation, policy or procedure;
- Justify the need for the waiver; and
- Explain what the Tribe will use to replace the existing statutory provision, regulation, policy or procedure, if applicable.

Waivers will be granted or denied on a case-by-case basis for each plan. Blanket waiver requests are not acceptable. See Attachment E for a list of statutory and regulatory requirements that will not be waived.

**Special
Instructions
For Tribal
Consortia**

Individual Child Counts Required - A tribal consortium must submit an individual Child Count Declaration, signed by an individual authorized to act for the Tribe, for each Tribal member in a tribal consortium. A tribal consortium must also provide a summary section listing each tribal member's name and child count, and the total child count for all members.

Because of the statutory "Special Rule for Indian Tribes in Alaska" under Tribal Mandatory Funding, some Alaska Native Regional Nonprofit Corporations will have to provide a separate child count certification for Discretionary Funding purposes. This count will consist of its self-certified Tribal Mandatory Funding count, minus the child count number for any Alaska Tribal grantee in its Region which applies directly for Discretionary Funding. In instances where a Regional Corporation has separate child counts for Discretionary and Tribal Mandatory Funds, both counts may be reported on the Child Count Declaration (Attachment A).

Membership Changes – It is the responsibility of a tribal consortium to notify ACF of any changes in its membership for CCDF funding purposes during the approved plan period. For example - - if a new Tribe joins a tribal consortium to receive FY 2003 funds, or if a current tribal consortium member elects not to receive FY 2003 CCDF funds through that tribal consortium - - these changes must be conveyed to ACF in writing by the tribal consortium.

**Exempt vs.
Non-Exempt
Grantee Status**

ACF recognizes that a number of small CCDF grantees do not have the necessary infrastructure to support certain CCDF requirements, such as a certificate program. Similarly, in many small rural communities child care options are often limited. Consequently, additional flexibility has been provided for smaller Tribes and tribal organizations by "exempting" them from certain CCDF requirements (see 45 CFR 98.83(f)). Tribal Lead Agencies with CCDF allocations equal to or greater than \$500,000 for a fiscal year are considered non-exempt grantees; therefore: 1) no less than 4 percent of the aggregate CCDF funds expended for a fiscal year must be used for quality activities; and 2) the Tribal Lead Agency must operate a certificate program that offers parental choice from a full range of providers (i.e., center based, group home, family and in-home care).

Transition Period Moving into Non-Exempt Status

A Tribal Lead Agency that moves from the exempt to non-exempt category has a phase-in period of **up to one year** to meet the CCDF non-exempt requirements. For example, if a Tribal Lead Agency's FY 2002 allocation moved it into the non-exempt category, the Tribal Lead Agency must meet the non-exempt requirements by October 1, 2002. Please contact your ACF Regional Office (Attachment C) if you have questions about exempt or non-exempt grantee status.

Funding Estimates and Allocation Formulas

ACF estimates that \$96,339,880 in FY 2003 CCDF funds will be available for tribal grantees on October 1, 2002 (\$41,999,880 in Discretionary Funds and \$54,340,000 in Tribal Mandatory Funds).

Grants from Discretionary Funds will include a base amount of \$20,000 plus a per child amount (approximately \$61 per child in FY 2002) for each Tribe or tribal consortium with a minimum of 50 children. Grants from Tribal Mandatory Funds are calculated solely on a per-child basis (approximately \$103 per child in FY 2002) and do not include a base amount.

Since the per-child amount for both Discretionary and Tribal Mandatory Funds depends upon the total number of children in all participating Tribes, ACF cannot calculate in advance the exact per-child amount. However, Tribes and tribal organizations may use the FY 2003 Tribal Estimates Chart (See Attachment B) as a guide. A new applicant should use the base amount plus approximately \$61 per child to estimate its allotment for Discretionary funding, and should use approximately \$103 per child to estimate its allotment for Tribal Mandatory funding.

A tribal consortium should estimate its allotment for Discretionary funding for each of its members by calculating a portion of the base amount that is equivalent to the ratio of the number of children in each member Tribe to 50, plus the additional per child amount. For example, a Tribe with 49 children is allotted 49/50ths of \$20,000, or \$19,600. The per child amount is then multiplied by 49 and added to the \$19,600 base amount.

Important Note: These amounts are provided for the purpose of estimating the allotments that will become available on October 1, 2002 and may increase or decrease when updated data become available before the final grant awards are issued. The estimates reflect the Administration's FY 2003 budget request.

Discretionary Earmark

The Administration's FY 2003 budget request includes an earmark for school age care and resource and referral and school-age care activities. The FY 2003 Tribal Estimates Chart (Attachment B) shows the estimated earmark requirement for FY 2003. The column labeled Discretionary Earmark shows the estimated amount that must be spent on resource and referral activities and school-age care. The column labeled Discretionary After Earmark is the amount of Discretionary Funds remaining after the earmark that can be spent on any allowable CCDF activities (assuming quality expenditure, administrative cost, and other Federal requirements are met).

The earmark for resource and referral activities and school-age care is based on a \$500 amount per Tribe plus a per child amount. Amounts in the FY 2003 Tribal Estimates Chart (Attachment B) are estimates that may increase or decrease when final grant awards are issued.

Note to Non-Exempt Tribal Lead Agencies: The earmarked funds are to be used in addition to the “not less than 4%” required to be spent on activities that improve the quality and availability of child care.

Administrative Costs Tribal Lead Agencies are reminded that no more than 15 percent of the aggregate CCDF funds expended from each year’s allotment may be used for administrative costs. Tribal Lead Agencies are advised to review the CCDF regulations at 45 CFR 98.52 for a discussion of administrative costs. Note: the Discretionary Funds base amount is neither subject to the 15 percent limitation, nor included in the calculation for the 15 percent limitation.

Construction and Renovation Under a 102-477 Plan In order to use CCDF funds for construction or major renovation projects, all Tribes receiving CCDF funds -- including Tribes with approved 102-477 plans - - are required to follow ACF's construction and renovation application procedures (Program Instruction ACYF-PI-CC-01-01, dated February 5, 2001). Early in the planning process, Tribes are advised to contact their appropriate ACF Regional Office (Attachment C). If a Tribe constructs or renovates more than one facility, it must seek ACF approval for each project (even if the projects use identical plans and specifications).

Deadlines All CCDF applications (and plans, if applicable) must be postmarked or hand delivered to the BIA no later than July 1, 2002. Any applications and plans postmarked after that date will not be accepted. Faxed copies will not be accepted.

Electronic Format The required Child Count Declaration is available in electronic format from ACF Regional Offices, and under the “Application and Plan” section of the Child Care Bureau’s website: <http://www.acf.dhhs.gov/programs/ccb/policy1/triblist.htm>

Questions related to the CCDF program should be directed to the appropriate ACF Regional Office (Attachment C). For general inquiries about consolidating CCDF into a 102-477 plan, you may also contact Ginny Gorman in ACF's Child Care Bureau at (202) 401-7260.

**Reporting
Requirements**

CCDF Tribal grantees with an approved 102-477 plan will receive their CCDF funding through the BIA. Therefore, program and financial reporting of CCDF funds awarded under a 102-477 consolidated plan will be made to the BIA. However, the expenditure and obligation of all CCDF funds awarded prior to a 102-477 plan approval will continue to be reported to ACF on the ACF-696-T financial reporting form. Similarly, program data on CCDF funds awarded prior to a 102-477 plan approval must be reported on the ACF-700 data reporting form.

**Paperwork
Reduction Act**

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The information collection required under this Program Instruction is approved under OMB Number 0970-0198, which expires May 31, 2002. ACF has requested an extension of this information collection with no changes. Since the authority to collect information under OMB number 0970-0198 is extended during the OMB review process, Tribal Lead Agencies are required to submit the application information requested in this Program Instruction for FY 2003 CCDF funding purposes.

Statutory and Regulatory Requirements That Will Not be Waived

The following are the CCDF statutory and regulatory requirements that will not be waived under a consolidated 102-477 plan.

- Grantees will coordinate, to the maximum extent feasible, with the Lead Agency(ies) in the State(s) in which the child care programs or activities will be carried out. (658O(c)(2)(A), 98.12, 98.14(a)&(b), 98.81(b)(3)(1), 98.82)
- Grantees must describe the results of the Lead Agency's coordination activities with agencies responsible for health (including the agency responsible for immunizations), education, employment services or workforce development, and the State TANF agency and/or tribal TANF agency – if the Tribe is operating its own TANF program. (98.14(a), 98.16(d))
- With the exception of applicants located in Alaska, California, or Oklahoma, CCDF programs and activities will be carried out for the benefit of Indian children on Indian reservations. (658O(c)(2)(B), 98.81(b)(3)(ii), 98.83(b))
- Applicants must demonstrate the administrative capability to successfully administer the proposed program in their initial plan. (658O(c)(3)(B))
- Grants and/or contracts are limited to a period of no more than 3 years. (658O(c)(4))
- Funds may not be used for the purchase or improvement of land. (658F(b)(1), 98.54(b)(1))
- Funds may not be used to pay for tuition or to contract for sectarian activities including worship or instruction. (658M, 98.54(c)&(d))
- Applicants must assure they will comply with provisions regarding a drug-free workplace, nondiscrimination, section 504 of the Rehabilitation Act of 1973, Education Amendments, and Age Discrimination Act of 1975, as amended at 45 CFR part 91. (98.13(b)(5))

Note: Since these certifications and assurances are required as part of the consolidated 102-477 plan, they do not need to be submitted with the CCDF application.

- At least one public hearing must be held by Tribes to allow for public comment. (98.14(c))

- Grantees shall establish, and periodically revise a sliding fee scale(s) that provides for cost sharing by families, and is based on income and family size. Grantees may waive contributions and may apply different sliding fee scales. (658E(c)(5), 98.42)
- There are in effect, under tribal, local or State law, requirements designed to protect the health and safety of children that are applicable to child care providers of services for which CCDF assistance is provided. These requirements shall include the prevention and control of infectious diseases (including immunizations); building and physical premises safety; and minimum health and safety training appropriate to the provider setting. (98.41(a))
- Grantees must submit a request to the Secretary of the Department of Health and Human Services, in accordance with uniform procedures, to use funds for construction and renovation purposes. Funds may not be used for construction or major renovation of child care facilities until the Tribe's 102-477 scope of work has been modified to allow for construction or major renovation. (658O(c)(6)(C), 98.84(a)&(b))
- Grantees are not permitted to use amounts for construction or renovation purposes if such use will result in a decrease in the level of services provided by the grantee in the preceding fiscal year. (658O(c)(6)(C), 98.84(b)(3))
- Not more than 15 percent of the aggregate CCDF funds expended by a Tribal Lead Agency from each fiscal year (including amounts used for construction and renovation in accordance with section 98.84, but not including the base amount provided under section 98.83(e)) shall be expended for administrative activities. Amounts used for construction and major renovation in accordance with section 98.84 are not considered administrative costs. (98.52(b), 98.83(g))
