HAVANA VERIFIET OSPALLOS REPUESI FOR TRANSFO VISA FOR SUSSILA

25 Nov 51

reported yesterday that the information in the newspaper Excelcior of Mexico City concerning 1.55 05WALD's request for a transit visa to go to the USSR, which was requested from the Cuban Consulate in Merida, is true. This visa was requested ?? September from said consulate, which stated that it could not grant the visa without permission of ______, and unless permission had been granted previously by the country of destination. OSWALD gave up aumpying the consulate, and the visa was never granted.

This detail, and others, confirm the suspicion that the KENNEDY assassination was a provocation against world peace by the most reactionary sectors. It is evident that these sectors planned

beforehand to involve Cuba and the USSR in the acon. The inconceived able impunity of a person who, with a known police record could be be believed. OSWALD in the presence of the police in a prison basement, demonstrates the scandulous means which reactionary forces are assing in the United States to cover up the perpetrators and the language motives for KENNEDY's assassination. World-wide public opinion demands a clarification of the facts. It is a land that the Dallas District Attorney is closing the case of the death of the President scarcely 48 hours after the deed.
