M/R: (S-CCO) FOIA referral of a document containing a list of the dates of NSA reports used by the CIA to compile records pertaining to U.S. defectors to the USSR. The document was located pursuant to a request for records between the CIA and the U.S. House Select Committee on Assassinations relating to President Kennedy.

(S-CCO) The document with the NSA information is not classified in and of itself. Its association with records pertaining to the Kennedy assassination is also not classified. The association with the records pertaining to defectors to the USSR, however, is classified SECRET-CCO. We are, therefore, advising the CIA that the identification of NSA on the document is to be redacted pursuant to b(1) and b(3)/403(d)(3). We ask that CIA not name NSA as the source of the information or redaction.

MEMORANDUM FOR THE RECORD

SUBJECT: "American Defectors to the USSR"

1. The attached material was part of a soft file entitled "American Defectors to the USSR", which was set up by [REDACTED] around 1960 and maintained by various [REDACTED] components until ca. 1963. The compilations were derived from a variety of sources, and contain both classified and overt data.

2. In the fall of 1966, the files were turned over to [REDACTED]. In most instances, basic information was then abstracted [REDACTED]. In all instances in which the material was unique, or represented a valuable collation effort, it has been incorporated into the appropriate 201 file, along with a copy of this memorandum.

3. It is suggested that any dissemination of this data should be coordinated with [REDACTED] and with [REDACTED], in view of the frequently inadequate sourcing and of the fact that disseminations have already been made [REDACTED].
