Kester. I am therefore taking the liberty of forwarding your letter to Mr. Kester for appropriate action.

M/R: The above response is consistent with a letter of understanding, dated 5 April 1978, between John G. Kester, and G. Robert Blakey. The letter essentially defines the ground rules under which the House Select Committee on Assassinations will be provided information obtained from intelligence sources; that is, requests for information "...will be stated as specifically as possible with respect to dates and subject matter and will be directed to the Department of Defense rather than any Defense intelligence agency...." Coordinated. with GC, Dan Silver; approved by DIR.
