

Changes to the Final Rule in SECY-06-0080

1. The *Federal Register* notice should be revised to note that: “In this rulemaking, the Commission is not making a final determination on what additional sources should be included in the National Source Tracking System. This rulemaking addresses Category 1 and 2 sources on the date this rule becomes effective. If additional material is added to the National Source Tracking System, it will be done through subsequent rulemaking.”
2. The staff should clarify the intent of the language in §20.2207(g). One potential clarification could be to add a new sentence after the first sentence in §20.2207(g) which reads “Such errors may be detected by a variety of methods such as administrative reviews or by physical inventories required by regulation. In addition, each licensee ...”.

3. Page 4, (Background Section) the last paragraph (starting with “The NRC has also ...”) in the fourth sentence (starting with “In particular, ...”) add the words “at a minimum” before “Category 1”.
4. Page 8, last paragraph, revise lines 1 and 2 to read ‘ ... enumerated above **which were applicable to source tracking and** imposed by the Energy Policy Act of 2005 ~~applicable to source tracking~~. The ....’

Changes to the Regulatory Analysis

5. Pages i, 11, 18, and 20. The staff should clarify whether the costs presented are in 2005 or 2006 dollars. Table ES-1 and the remainder of the text indicates that the values are in 2006 dollars, but Table 4 states it is 2005 dollars.
