LAS VEGAS NV. 89134

YOUR LETTER OF OCT 2006 IS THE REASON
FOR THIS LTR.

"GREEN" PEN IS OCT 2006 WRITING.

"BLACK" IS OLD STUFF THAT I SENT TO THE
F.B.I. TO BE TRANSLATED TO PRESIDENT
BUSH IF THEY DEEM IT WORTHY ON
SEPT 22, 2004.

Department of Energy

Office of Civilian Radioactive Waste Management
1551 Hillshire Drive
Las Vegas, NV 89134-6321

October 2006

SUPPLEMENTAL YUCCA MOUNTAIN REPOSITORY ENVIRONMENTAL IMPACT STATEMENT (DOE/EIS-0250F-S1)

Interested Public:

The U.S. Department of Energy (DOE or the Department) is announcing its intent to prepare a Supplement to the "Final Environmental Impact Statement for a Geologic Repository for the Disposal of Spent Nuclear Fuel and High-Level Radioactive Waste at Yucca Mountain, Nye County, Nevada" (DOE/EIS-0250F, February 2002).

The Department invites comments on the scope of the Supplemental YM Repository EIS to ensure that all relevant environmental issues are addressed. DOE will consider all comments received during the 45-day public scoping period, which ends November 27, 2006. Comments received after this date will be considered to the extent practicable.

Additional information on the Supplemental YM Repository EIS, or the repository program in general, may be found on the Internet at www.ocrwm.doe.gov under the caption, What's New, or via request directed to: Dr. Jane Summerson, EIS Document Manager, Regulatory Authority Office, Office of Civilian Radioactive Waste Management, U.S. Department of Energy, 1551 Hillshire Drive, M/S 010, Las Vegas, NV 89134, Telephone 1-800-967-3477.

Written comments on the scope of the Supplemental YM Repository EIS may be submitted to Dr. Jane Summerson at the above address, or by facsimile to 1-800-967-0739, or via the Internet at www.ocrwm.doe.gov under the caption What's New, or at one of three public meetings:

- Washington, District of Columbia, L'Enfant Plaza Hotel, 480 L'Enfant Plaza, SW, October 30, 2006 from 4-7 p.m.
- Amargosa Valley, Nevada, Longstreet Hotel Casino, Nevada State Highway 373, November 1, 2006 from 4-7 p.m.
- Las Vegas, Nevada, Cashman Center, 850 North Las Vegas Blvd. November 2 from 4-7 p.m.

SEPT 22 - 2004

LOOK LTR DEPT. - SEE YUCCA ARTICLE

FOR PRES. BUSH IF WORTHY!
I HAVE FINALLY ~~SHAKED~~ ^{SHAKED} TO POLITICS.
BUT PRES. BUSH OPENED THE SUBJECT
& IT IS ONE I HAVE IDEAS ON!
THIS POST DISPATCH ARTICLE HAS COLITATED
FOR AWHILE, BUT THE ELECTION DRAWS NEAR.

RE: YUCCA MOUNTAIN

I ATTENDED 50 MEETINGS OVER 10 YEARS
ON ATOMIC WASTE. I READ A LOT BUT
I LET THE LEADING ACTIVIST IN THESE
PARTS READ THE TECHNICAL STUFF. SHE KNOWS
A LOT & IS RECOGNIZED BY THE D.O.E.
BUT SHE FINDS FAULT UNENDINGLY BUT
NEVER PROPOSES SOLUTIONS.

ANYHOW THE D.O.E.'S ~~SOLUTION~~ SOLUTION
TO THE ST LOUIS WEDDON SPRINGS WASTE ATOMIC
PROBLEM WAS TO HAUL OFF OR BURY IN
A BIG HILL ON SITE. THE YELLOW CAKE WAS
DILUTED & DUMPED INTO THE MISSOURI RIVER,
THE QUARRY WAS EMPTIED & THEN NOT USED
GAINFULLY. ANYTHING THEY COULD WAS
DILUTED & DUMPED INTO THE MISSOURI
RIVER. THE D.O.E. ENLARGED THE "DEAD
ZONES" IN THE GULF OF MEXICO OFF NEW
ORLEANS WITH THE CLEANUP. BUT WHEN

THEY WERE DONE THEY HAD A LEVEL FLAT AREA WITH A SIX STORY HILL OF COVERED ATOMIC WASTE. NO ONE WILL EVER BE ABLE TO USE THE AREA SAFELY FOR ANYTHING USE FULL FOR THOUSANDS OF YEARS. THE DILUTED WASTE WATER WAS DRUNK BY TOWNS ALL THE WAY DOWN TO THE CARIBBEAN. THE WASTE WATER COMBINED WITH SEWAGE, CHEMICALS, LAID RUN OFF, ETC. TO ENLARGE THE "DEAD ZONE" TO 300 MILES X 50 MILES WHICH ~~IS~~ HAS NO OXYGEN TO SUSTAIN WATER LIFE. NOTHING BREATHES DOWN THE FLOATING DEATH.

MOM NATURE SAYS:

1. DILUTION OF ATOMIC WASTE IN THE DRINKING WATER OF THE INDUSTRY IS NOT AN ANSWER.

2. SINCE THE 1950'S ALL KINDS OF ATOMIC WASTE DISPOSAL METHODS WERE TRIED & REJECTED. NOTHING IS FOOL PROOF. RUSSIA TRIED A DEEP WINE SHAFT IN THE URAL MOUNTAINS BUT IT REACHED CRITICAL MASS & EXPLODED AND KILLED & FLATTENED FOR HUNDREDS OF SQUARE MILES. SO UNCONTROLLED BURNING IS NOT THE ANSWER. NOTHING IS THE ANSWER SO FAR.

100 YEARS

3. BUT I HAVE THE ANSWER FOR THE NEXT HUNDRED ~~YEARS~~ YEARS. I HAVE THE ANSWER! I HAVE THE ANSWER! THE HEAD LOCAL ACTIVIST DID NOT LIKE MY SOLUTION BUT SHE HAS NONE.

4. I SAY THERE ARE DIFFERENT LEVELS OF DANGEROUS ATOMIC WASTE. THE USA & RUSSIA'S NAVIES DUMP THE LEAKING & RUNAWAY REACTORS IN THE OCEANS. THAT MAY BE THE ONLY FAST & PRACTICAL SOLUTION. I AGREE WITH THIS DUMPING SINCE IT SOLVES A RUNAWAY REACTOR PROBLEM WHICH IS A HIGH LEVEL OF DANGER.

5. I OBSERVE THE U.S. GOVT. & U.S. SCIENTISTS NEVER GET IT RIGHT THE FIRST TIME ON ANY STAGE OF THE ART PROBLEM FOR THE FIRST 20 SOLUTIONS. ~~AND THEREFORE~~ IT IS CALLED DEVELOPEMENT.

6. THIS DEVELOPEMENT THRU ERRORS WILL HAPPEN TO THE SCIENCE OF BURNING ~~AN~~ ATOMIC WASTE AT YUCCA MTN. SO, LET US START SAFELY!!! WE SHOULD TRY OUR ~~BURNING~~ ^{BURNING} SOLUTION ONLY ON LOW LEVEL WASTE.

7. THE MOST DANGEROUS LEVELS OF ATOMIC WASTE FROM POWER PLANT REACTORS ARE TO BE KEPT IN STORAGE POOLS THERE HAS NEVER BEEN A LEAK! NEVER. NEVER. NEVER. NEVER A LEAK.

8. NEVER HAD A TERRORIST ATTACK.

9. NEVER HAD A HAD A RADIATION LEAK. NEVER. NEVER. NEVER.

10. ARE USED WORLD WIDE WITHOUT INCIDENT. NO INCIDENTS SO FAR.

AT REACTORS

11. WHERE THE ATOMIC WASTE IS ALREADY UNDER A UMBRELLA OF SECURITY WHICH CAN BE QUICKLY INCREASED

12. THIS STORAGE IS INEXPENSIVE, SIMPLE IN DESIGN & THEORY, EASY TO BUILD & INSPECT.

13. AND THEY ARE ??? THINK FOR A MINUTE. YOU KNOW WHAT I MEAN. THINK! WHERE IS THE SAFEST STORAGE OF THE HOTTEST ATOMIC WASTE, WITH A 50 YEAR TRACK RECORD. WHY DOES NOT THE NUCLEAR INDUSTRY PUBLICIZE THIS SOLUTION. WHAT DO THEY MAKE THE LEAST AMOUNT OF MONEY OFF OF? THE PRICE-ANDERSON ACT PASSED BY CONGRESS CONVERTS MISTAKES INTO PROFITS IN THEIR POCKETS. THERE ARE NO SCIENTIFIC ARGUMENTS ABOUT THIS STORAGE. THIS STORAGE (POOLS) CAN BE INSPECTED AT WILL AND HAS LOW MAINTENANCE.

THE ATOMIC INDUSTRY HAS ALREADY DOWNED THEIR STORAGE CAPACITY WITH THE PUBLIC NOT REALLY WARNING ABOUT IT.

14. BUT STORAGE CAPACITY IS USED UP QUICKLY. THAT IS WHY THE INDUSTRY IS PUSHING YUCCA MOUNTAIN, EVEN THOUGH IT HAS MANY UNSOLVED PROBLEMS, BUT I THINK THE NEVADA TESTING AREA WILL REMAIN "HOT" FOREVER. SO PLACING THE ATOMIC WASTE AT YUCCA MOUNTAIN WILL NOT CREATE ANY MORE CONTAMINATED HOT LAND.

15. THE SAFE CHEAP STORAGE I AM
 TALKING ABOUT THE ON SITE WATER STORAGE
 POOLS ~~ARE NOT NEARLY~~ FOR SPENT
 FUEL RODS ON EACH REACTOR SITE, THE
 PRESENT STORED FUEL RODS DO NOT HAVE TO
 BE SHIPPED ACROSS COUNTRY AND THEN
 WAIT UNTIL THE YUCCA MOUNTAIN HOLE IS
 DEBUGGED, YOU JUST BUILD NEW ADJOINING
 STORAGE POOLS IN WHICH TO SUBMERGE
 THE FUEL RODS, ONE NEW POOL AT EACH POWER PLANT.

16. YOU PUT LOW LEVEL WASTE
 IN YUCCA MOUNTAIN FOR THE NEXT 20 YEARS,
 WHILE YOU DISCOVER THE UNSOLVED PROBLEMS,
 AND THERE ARE GOING TO BE UNSOLVED
 PROBLEMS, THIS IS CALLED DEVELOPEMENT.
 YOU REALIZE IF A MISTAKE HAPPENS UNDERGROUND
 AT YUCCA, IT WILL NOT BE EASY TO FIX LIKE
 A GROUND LEVEL WATER POOL. THE TUNNEL TRAINS
 DO NOT WORK RIGHT EITHER.

17. THE FUEL RODS STAY WHERE THEY ARE PRODUCED THUS FOILING THE
 TERRORISTS AND HUMAN ERROR. NO
 PLUTONIUM STAYS WHERE IT IS. NOTHING
 GETS STORED IN OUR RIVERS OR LAKES,
 THE U.S. NEEDS ALL THE FRESH WATER IT HAS.
 MUCH OF THE WORLD HAS SEVERE DROUGHTS.

18. AS FAR AS I KNOW, NO ACCIDENTS
 HAVE EVER HAPPENED IN FUEL ROD STORAGE
 POOLS. CHECK IT OUT! WHY NOT TAKE THE
 SAFEST TESTED SOLUTION TO PACIFY THE
 HOUSE WIVES & STUDENTS.

19. FOR THIS EFFORT & MY 50 MEETINGS
 OF BOREDOM, I DESERVE A LARGE FEE. !!!
 PLEASE.

20. THERE IS A LOT OF LOW LEVEL ATOMIC U.S. WASTE THAT NEEDS AN OUT OF THE WAY DEPOSITORY LIKE YUCCA MOUNTAIN. LET THE DOE PRACTICE ON YUCCA TUNNELS TO GET IT RIGHT!

THIS NOTE IS LONG & SORT OF IMPORTANT IF YOU CONSIDER THE PROBLEM'S GRAVITY. THEREFORE I WOULD LIKE TO HAVE ONE OF YOUR TYPISTS, TYPE & SPELL THIS SERMON FROM THE MOUNT. TO ~~THE~~ PRESIDENT BUSH.

REMEMBER: PETER'S PRINCIPLES

1. EVERYTHING LEAKS OUT IN TRANSIT.
2. EVERY THING IS CONNECTED TO HUMAN ERRORS.
3. NO BODY KNOWS BEST.
4. EVERY BODY IS OUT TO LUNCH.
5. WHAT CAN GO WRONG WILL GO WRONG.

Ed Mahr Jr

Mr. Edwin Mahr Jr.

St. Louis, MO 63117-1623

I WANTED 100% ASSURANCE THAT MY ~~OPINION~~

7

~~THE~~ ATOMIC WASTE COMMENTS MADE
IT TO YOURS & PRES. BUSH'S EYES.

LOW LEVEL ONLY IN YUCCA TUNNELS.
HIGH LEVEL AT REACTOR'S ONSITE POOLS
ONLY. NO TRANSPORT.

HAVE YOU TESTED AN R.P.G. OR A
I.E.D. WITH A 500 LB BOMB ATTACHED
ON ~~A~~ A TRANSPORT CASK. IT WAS
NOT DESIGNED FOR EITHER... !!!
WHY DON'T YOU TEST THE CASK, &
BRING YOUR KNOWLEDGE UP TO YEAR 2006.

Mr. Edwin Mahr Jr.
