

U.S. Department of Energy Supplemental Yucca Mountain Repository Environmental Impact Statement

010011

SCOPING COMMENT SHEET

Name: Debra Slidy

COMMENTS: The Yucca Mountains are very "sacred" to the Indian Heritage. There are areas which you are (POE) aware of. This is the first deep concern of the "Tribe" is well as knowing the transportation of this "nuclear fuel/high-level radioactive" will be tight fisted.

BLM must make sure no ~~some~~ land of past chiefs are disturbed for which this product needs to be transported through ground. And townspeople stability ~~is~~ threaten.

No spill or mishap must touch or disturb the blood of the Land (in towns near the Mountains)

Please feel free to attach additional pages (if mailing, more postage may be needed).
