

# U.S. Department of Energy Supplemental Yucca Mountain Repository Environmental Impact Statement

010028 11/8/06  
WPP

## SCOPING COMMENT SHEET

Name: MARVIN RICHARDSON

### COMMENTS:

Why doesn't the DOE acquire land at a more reasonable rate now, before prices go higher for people. Use this to your advantage for people to move into the area to work. This would make it economically more reasonable for people to come in and work.

Please feel free to attach additional pages (if mailing, more postage may be needed).

Please note: Your comment(s) must be received by the Department of Energy by November 27, 2006, to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted lines so the address and postage-paid notice are visible, then secure with tape.
