## **SCOPING COMMENT SHEET**

COMMENTS:    believe States that Choose to use, and Create nuclear power should take responsibility to State and dispose of their nuclear waste.  Because states have more votes (power) because they are larger should not give them the right to foist a nuclear repository on a state that chasses not to use nuclear power. It is a Simple Case of bullying the Smaller state with less votes in Congress A nuclear waste repository is not good for Newada's environment, Citizens or economy.
