DEAR DR. SOMMERSON,

RE: DOE/EIS-0250F-51

FIRST, I PROTEST ACCUMULATING WASTE FOR WHICH THERE IS NO SATISFACTORY DISPOSAL. THERE IS NO "AWAY" TO THROW ANY NUCLEAR WASTE TO.

SECONDLY, ANY PROXIMITY TO TECTONIC FAULT LINES IS SHORT-SIGHTED.

WE ARE WALLOWING IN OUR WASTE AND MUST CEASE CREATING IT.

THANK YOU.
