

Trading Cards

Name: Lynn Harper

Title: Lead, Integrative Studies, Astrobiology and Space Research Directorate

What I do: It's my job to make connections between individual organisms, planets, and the universe using different technologies to explore them. I also manage spacecraft research related to life in the universe and try to make new discoveries.

Education: B. A. in Cell Biology

Experience: four years each as Program Manager and Division Chief, 1 year as an Astrobiologist, 1 1/2 years as Lead, Integrative Studies.

Skills: management and communication skills, scientific knowledge, ability to see the big picture

Interests: spending time with family, painting, furniture decorating, and sewing

"Who are we? The answer to this question is not only one of the tasks, but the task of science." -Erwin Schrödinger
