

Data Call – Request for Information

Graphics and Statistics for A-16 Data Themes Status for Inclusion in FY 2006 FGDC Annual Report - Draft

All lead federal agencies responsible for the NSDI spatial data themes as identified in *Appendix E: NSDI Data Themes, Definitions, and Lead Agencies*, *OMB Circular A-16*, are hereby requested to submit status graphics showing the current extent and status of the spatial data themes for which they have the lead as described in *OMB Circular A-16, Section 8.d.(4)(c)*.

Technical Specifications for the Status Graphics

General: The graphics and statistics should show the status of the theme on September 30, 2006 or an earlier date in September. The graphic (map) should represent all 50 states. It should also include a title and a key.

Narrative to accompany the graphic should address the following:

- Title or name of the organization or agency responsible for the data theme
- Short description of the role/purpose of the responsible organization in managing the data theme
- Current status as demonstrated by the map
- Accomplishments for 2006 – reflecting changes since 2005
- Goals, objectives or projects for 2007

Minimum Size:

7" w X 5" h

300 dpi at actual size

File Type:

EPS Vector Files or Adobe Illustrator Files (preferred)

If JPEG files:

300 dpi in 7" w X 5" h size

Graphics should be in color

Due date: October 31, 2006

Please send your submissions to Vaishal Sheth via e-mail at vsheth@fgdc.gov or on a CD to

590 National Center
12201 Sunrise Valley Drive
Reston VA 20192

Please contact Vaishal at 703-648-5930 if you have any questions.
