Subject: [Fwd: [Fwd: IMPORTANT: report any instances of predatory or anticompetitive behavior]]

I do not know if this will help, but.....

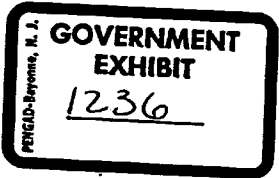

Thanks,
JOHNO

John,

The "free" Internet Explorer cost us business at the following accounts:

HIGHLY CONFIDENTIAL

1. Inland Valley Internet Services
This is a start-up ISP which chose IE over NN because free doesn't impact their cash flow even though they would prefer to distribute Netscape.
2. Burlington Air Express
Top management dismissed Netscape because IE is free.
3. Source Internet Services (same story as #1)

L
