RE: Prerecorded Message EBR, Telemarketing Project No. R411001.

To Whom It May Concern:

I am writing this letter to express my strong desire to have the FTC continue to block prerecorded messages for telemarketers. It is my opinion that the National "Do Not Call" registry is one of the best services that has been passed into law in recent history. I do not wish to see that law weakened in any way.

Thank you for your consideration,

R. Lowell Phillips
