600 Pennsylvania Ave NW.
Washington DC 20580

Dear Sirs:

In regard to "Pre-recorded message ^BEBR
Telemarketing Project no. R 411001"
please do not change the "do not
Call" registry system by allowing
pre-recorded messages. We do not
want more calls that interrupt
us and please do not allow
messages to be left on answering
machines.

Thank you for your consideration

Alfred J Flecksig
