RE: Prerecorded Message EBR, Telemarketing Project No. R411001

Hello,

Please do not approve the use of pre-recorded messages for telemarketing purposes. I am currently on the Do Not Call list and that's what I want. I don't want to be disturbed by organizations that I haven't initiated the relationship. These calls are disruptive at best and very avoiding. When will the consumer have any control over who they do business?

Cordially,

A handwritten signature in black ink, appearing to read "Susan G. Johnson". The signature is written in a cursive style with a long horizontal line extending to the right.
