RE: Prerecorded Message EBR, Telemarketing Project No. R411001

Dear Sir or Madam:

I do not want to receive prerecorded telemarketing telephone calls. I do not think such calls should be allowed to those who are currently registered on the "Do Not Call" list.

I have received prerecorded telemarketing telephone calls in the past. I've also received prerecorded messages on behalf of political candidates. I find all unsolicited prerecorded telephone calls totally annoying. More frankly, I think they are beyond rude and a total invasion of the peaceful enjoyment of my home.

I will be very upset if such calls are permitted to be made to those registered on the "Do Not Call" list.

Sincerely,

A handwritten signature in cursive script that reads "Tom Chase".
