SGE: Clyde W. Yancy, M.D.

Committee: Circulatory System Devices Panel of FDA’s Medical Devices Advisory
Committee

Meeting Date(s): October 11, 2007

I acknowledge that contingent upon public disclosure of the following financial interests submitted on my FDA Form 3410 and related to the agenda item: general discussion on clinical trial designs for carotid artery stenting in patients not at high risk for adverse events from surgical revascularization, I am eligible to receive a particular matter waiver under Section 712(c)(2)(B) and 18 U.S.C. §208.

Type of Interest	Involvement	Magnitude
Consulting	an unaffected unit of a carotid artery stent manufacturer	less than \$10,001

I hereby request that FDA make this information publicly available on my behalf at the start of the advisory committee meeting for which it is issued by reading the statement into the record at the time of the meeting. I understand that without public disclosure of the interest, the waiver is not valid.
