MEMORANDUM FOR: Chief, New York District Support Team

SUBJECT: East River Seawall, Queens County New York – Shoreline Protection;  
Submission of Section 905 (b) WRDA 86 Analysis

1. References:

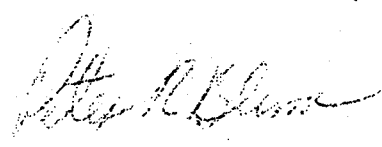

- a. CENAN-PL-F Memorandum dated 27 February 2004, subject as above.
- b. E-Mail from Vietri, Joseph R NAD02 dated 11 February 2005, subject: East River Sea Wall
- c. CEMP-NAD Memorandum dated 17 February 2005 subject: East River Seawall, Queens County, New York – Shoreline Protection: Supplemental Information for Section 905 (b) WRDA 86 Report

2. The supplemental information furnished with reference 1b has been reviewed by this office and is determined to be an acceptable basis for moving forward to a cost-shared feasibility phase. In accordance with the authority cited in reference 1c, CENAD hereby certifies the reconnaissance phase of study and the District may initiate the feasibility phase.

3. The District should consider all the points made in reference 1c and all previous Headquarters comments as they proceed with the feasibility phase. Also in accordance with reference 1c, the District should also convene a Feasibility Scoping meeting early in the study to ensure that the study is focused and tailored to meet specific planning objectives.

2. Please contact Mr. Peter Blum, Plan Formulation Team Leader, (718) 765-7066 if you have any questions.
