

# Electronic Handbooks (EHBs)

*Coney Island, Inc.  
Brooklyn, NY*

## INNOVATION

Internet-based tools that support the paperless documentation and management of complex distributed processes.

## ACCOMPLISHMENTS

- ◆ Developed four-part methodology- user interface, backend, requirements capture, and demonstration for using, building and marketing EHBs.
- ◆ 1999 Gold Award Winner of the Federation of Government Information Processing Councils (FGIPC) Intergovernmental Open Systems Solutions (IOSS) Awards program.

## GOVERNMENT/SCIENCE APPLICATIONS

- ◆ NASA- Small Business Innovation Research, Directives, Earth Sciences Technology Office, Education Program Cataloging.
- ◆ Department of Justice- Bulletproof Vests Partnership Program, Local Law Enforcement Block Grants Program.
- ◆ Federal Emergency Management Agency- Firefighters Grant Program

Goddard Space Flight Center  
Date of Update: 02/02  
Success Story #: 237  
Technical Area: Space  
Science 3-12

**Electronic Handbook for NASA SBIR Firms**

## COMMERCIALIZATION

- ◆ Designed EHBs systems for the following private sector applications- automobile sales and service, credit cards, construction, and bank loans.
- ◆ Designed EHBs systems for the following public sector applications- Hospital health episodes, public school system enrollment, university enrollments.
- ◆ Further applications are currently being developed.
