

Table C1
**Adult Self-Reported Current Asthma Prevalence Rate (Percent) and
Prevalence (Number) by State: BRFSS 1999**

Note 1: CI designates confidence interval.

Footnote 1: If values for the standard error and the 95% confidence intervals are not provided, the normal approximation to the binomial distribution does not apply because of the small sample size.

Footnote 2: When the sample size is less than 50, estimates are not precise and should be interpreted with caution.
