

Updated 1 Mar 99

**Division of HIV/AIDS Prevention - Intervention Research & Support
1998 Publications**

Names in bold are DHAP - IRS authors.

Anderson, J., Nelson D., & Wilson, R. (1998). Effects of telephone coverage on measurement of health risk indicators: Data from the National Health Interview Survey. *American Journal of Public Health*, 88, 1392-1395.

Anderson, J., Sumartojo, E., & Miller, B. (1998). Only one-third of US adults can correctly identify how tuberculosis is spread. *International Journal of Tuberculosis and Lung Disease* 2(7), 607-608.

Anderson, J.E., Greenberg, J., & **MacGowan, R.** (1998). Enhanced street outreach and condom use by high-risk populations in five cities. In J.B. Greenberg & M.S. Neumann (Eds.), *What we have learned from the AIDS Evaluation of Street Outreach Projects* (pp. 83-109). Atlanta: CDC.

Anderson, J.E., MacGowan, R., Jones, T.S., & Barker, P. (1998). Needle hygiene and sources of needles for injection drug users: Data from a national survey [letter]. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S147-S148.

Beeker, C., **Guenther-Grey, C.,** & Raj, A. (1998). Community empowerment paradigm drift and the primary prevention of HIV/AIDS. *Social Science and Medicine*, 46(7), 831-842.

Carey, J.W., Wenzel, P.H., Reilly, C., Sheridan, J., & **Steinberg, J.M.** (1998). CDC EZ-Text: Software for collection, management and analysis of semi-structured qualitative data. *Cultural Anthropology Methods Journal*, 10(1), 14-20.

Carey, J.W., Wenzel, P.H., Reilly, C., Sheridan, J., **Steinberg, J.M.,** & Harbison, K. (1998). CDC EZ-Text: Software for collection, management and analysis of semi-structured qualitative databases (version 3.06). Atlanta, Georgia. Developed by Conwal Incorporated for the Centers for Disease Control and Prevention. Software and user guide (128 pages) distributed free: <http://www.cdc.gov/nchstp/hiv_aids/software/ez-text.htm>.

Case, P., Beckett, G.A., & **Jones, T. S.** (1998). Access to sterile syringes in Maine: Pharmacy practice after the 1993 repeal of the syringe prescription law. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18(Suppl. 1), S94-S101.

Case, P., Meehan, T., & **Jones, T.S.** (1998). Arrests and incarceration of injection drug users for syringe possession in Massachusetts: Implications for HIV prevention. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S71-S75.

Curran, J.W. (**Elsner, L.**, Collaborator). (1998). Foreword. In R.A. Smith (Ed.), *Encyclopedia of AIDS: A social, cultural, and scientific record of the HIV epidemic* (pp.vii - ix). Chicago: Fitzroy Dearborn.

Diaz, T., **Chu, S.Y.**, Weinstein, B., Mokotoff, E., **Jones, T.S.**, & the Supplement to HIV/AIDS Surveillance Group. (1998). Injection and syringe sharing among HIV-infected injection drug users: Implications for prevention of HIV transmission. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S76-S81.

Dietz, S.E. (1998, February). Acquired immunodeficiency syndrome. In *Pathophysiology: Concepts of altered health states* (5th ed., chap. 13). Philadelphia, PA: Lippincott-Raven. (Available from publisher at <<http://www.lrpublish.com>> or by phone at 1-800-638-3030)

Gleghorn, A.A., **Wright-De Agüero, L.**, & Flynn, C. (1998). Feasibility of one-time use of sterile syringes: A study of active injection drug users in seven United States metropolitan areas. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S30-S36.

Goldbaum, G., Perdue, T., **Wolitski, R.**, Rietmeijer, C., Hedrich, A., Wood, R., Fishbein, M., & the AIDS Community Demonstration Projects. (1998). Differences in risk behavior and sources of AIDS information among gay, bisexual, and straight-identified men who have sex with men. *AIDS and Behavior*, 2(1), 13-21.

Greenberg, J.B., **MacGowan, R.**, **Neumann, M.**, Long, A., Cheney, R., Fernando, D., Sterk, C., & Weibel, W. (1998). Linking injection drug users to medical services: Role of street outreach referrals. *Health and Social Work*, 23, 298-309.

Greenberg, J.B., & **Neumann, M.S.** (Eds.). (1998). *What we have learned from the AIDS Evaluation of Street Outreach Projects*. Atlanta: CDC.

Holtgrave, D.R., Pinkerton, S.D., **Jones, T.S.**, Lurie, P., & Vlahov, D. (1998). Cost and cost-effectiveness of increasing access to sterile syringes and needles as an HIV prevention intervention in the United States. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S133-S138.

Jamner, M.S., **Wolitski, R.J.**, Corby, N.H., & Fishbein, M. (1998). Using the theory of planned behavior to predict intention to use condoms among female sex workers. *Psychology and Health*, 13, 187-205.

Jones, T.S., & Vlahov, D. (1998). Use of sterile syringes and aseptic drug preparation are important components of HIV prevention among injection drug users. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S1-S5.

Lauby, J.L., **Semaan, S.**, Cohen, A., Leviton, L., Gielen, A., Pulley, L., Walls, C., & O'Campo, P. (1998). Self-efficacy, decisional balance and stages of change for condom use among women

at risk for HIV infection. *Health Education Research*, 13(3), 343-356.

Lurie, P., Gorsky, R., **Jones, T.S.**, & Shomphe, L. (1998). An economic analysis of needle exchange and pharmacy-based programs to increase sterile syringe availability for injection drug users. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S126-S132.

Lurie, P., **Jones, T.S.**, & Foley, J. (1998). A sterile syringe for every drug user injection: How many injections take place annually, and how might pharmacists contribute to syringe distribution? *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S45-S51.

MacGowan, R.J., Sterk, C.E., Long, A., Cheney, R., Seeman, M., & **Anderson, J.E.** (1998). New needle and syringe use, and use of needle exchange programmes by street recruited injection drug users in 1993. *International Journal of Epidemiology*, 27, 302-308.

Parsons, J.T., Butler, R., Kocik, S., **Norman, L.**, Nuss, R., and the Adolescent Hemophilia Behavioral Intervention Evaluation Projects (HBIEP) Study Group. (1998). The role of the family system in HIV risk reduction: Youths with hemophilia and HIV infection and their parents. *Journal of Pediatric Psychology*, 23(1), 57-65.

Pinkerton, S. D., & **Holtgrave, D.R.** (1998). The cost-effectiveness of HIV prevention from a managed care perspective. *Public Health Management Practice*, 4(1), 59-66.

Purcell, D.W., **DeGross, A.S.**, & **Wolitski, R.J.** (1998). HIV prevention case management: Current practice and future directions. *Health and Social Work*, 23, 282-289.

Rietmeijer C.A., **Wolitski, R.J.**, Fishbein M., Corby, N.H., & Cohn, D.L. (1998). Sex hustling, injection drug use, and non-gay identification by men who have sex with men: Associations with high-risk sexual behaviors and condom use. *Sexually Transmitted Diseases*, 25(7), 353-360.

Sullivan, P.S., Nakashima, A.K., **Purcell, D.**, Ward, J.W., and the Supplement to HIV/AIDS Surveillance Study Group. (1998). Geographic differences in noninjection and injection substance use among HIV-seropositive men who have sex with men: Western United States versus other regions. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 19, 266-273.

Wolitski, R.J., Rietmeijer, C.A., Goldbaum, G.M., & Wilson, R.M. (1998). HIV serostatus disclosure among gay and bisexual men in four American cities: General patterns and relation to sexual practices. *AIDS Care*, 10(5), 599-610.

Wright-De Agüero, L., Weinstein, B., **Jones, T.S.**, & Miles, J. (1998). Impact of change in Connecticut syringe prescription laws on pharmacy sales and pharmacy managers' practices. *Journal of Acquired Immune Deficiency Syndromes and Human Retrovirology*, 18 (Suppl. 1), S102-S110.
