

Table 2. Examples of coded responses from a structured survey question “How do you think you were exposed to HIV?”

ID	Response	Codes				
		ANON	MULTPARTS	ANAL	EJAC	PERCEV+
101	“Had anal sex with a guy I think was infected and he ejaculated.”	0	0	1	1	1
102	“Had a lot of partners, some of them I don’t know. I’m worried about HIV in ejaculate.”	1	1	0	1	0
103	“Been exposed to ejaculate from 2 or 3 different partners.”	0	1	0	1	0

ANON = Exposure from anonymous partner(s)/contact(s)

MULTPARTS = The number of partners is stated as greater than one

ANAL = Anal sex that is unspecified as insertive or receptive

EJAC = Ejaculation occurred, participant reports exposure to ejaculate

PERCEV+ = Respondent perceives or suspects that partner(s)’ HIV status is HIV+
