

Center for Medicaid and State Operations

SMDL #05-004

October 18, 2005

Dear State Medicaid Director:

A number of States and Tribal organizations have asked whether expenditures that are certified by Tribal organizations can be used to fulfill State matching requirements for administrative activities under the Medicaid program. In considering this question, the Centers for Medicare & Medicaid Services (CMS) took into account the fact that Tribal organizations may have governmental responsibilities when operating on behalf of Tribal governments. Additionally, CMS considered the possible occurrence of duplicate payment when the same entity is paid under an agreement to perform Medicaid State administrative activities and as a provider for Medicaid services. This letter describes CMS' policy regarding the conditions under which Tribal organizations can certify expenditures as the non-Federal share of Medicaid expenditures for Medicaid administrative services directly provided by such entities.

Pursuant to Federal law, the Indian Self-Determination and Education Assistance Act (ISDEAA), Public Law 93-638, as amended, permits Indian Tribes to directly operate health programs that furnish covered Medicaid services under a contract or compact with the Indian Health Service (IHS). Several States have contracted with Tribes to perform certain allowable Medicaid administrative functions and, as units of government, the Tribes certify actual expenditures related to these activities to the State. The activities performed include, among other things, outreach and application assistance for Medicaid enrollment and activities that ensure appropriate utilization of Medicaid services by Medicaid beneficiaries. The contract language ensures that expenditures certified for administrative costs do not duplicate, in whole or in part, claims made for the costs of direct patient care. The State uses the certified expenditures in its Federal financial participation (FFP) claims for State Medicaid administration activities.¹

Section 1903(w)(6)(A) of the Social Security Act (the Act) specifies that the Secretary may not restrict a State's use of funds where such funds are derived from State or local taxes (or funds appropriated to State teaching hospitals) transferred from, or certified by, units of government within a State as the non-Federal share of Medicaid expenditures, regardless of whether the unit of government is also a health care provider under the State plan, unless the transferred funds are derived from donations or taxes that would not otherwise be recognized as the non-Federal share. Under this provision, only certified public expenditures from units of government are protected.

¹ Federal funds may not be used to meet State matching requirements, except as authorized by Federal law. Although Federal IHS funds awarded under ISDEAA may be used to meet Tribal matching requirements, that authority does not include State matching requirements. As a result, Tribal expenditures certified for this purpose must be funded through non-ISDEAA sources.

Regulations at 42 CFR section 433.51 permit certified public expenditures from public agencies, specifically including Indian Tribes, to be used as the non-Federal share of expenditures. However, these regulations do not address Tribal organizations.

It is not the intent of this letter to expand the scope of transactions protected under section 1903(w)(6)(A) of the Act or the regulations at 42 CFR section 433.51. However, it is CMS' position that when federally recognized Indian Tribes coalesce for a common purpose, that collective effort should be afforded the same rights, privileges, protections, and exemptions as the individual Tribes themselves.² This status extends to Tribal organizations formed solely by, wholly owned by or comprised of, and exclusively controlled by Indian Tribes, as currently defined in section 4(e) of ISDEAA. This section defines "Indian Tribe" to mean any Indian Tribe, band, nation, or other organized group or community, including any Alaska Native village or a regional or village corporation as defined in, or established pursuant to, the Alaska Native Claims Settlement Act, which are recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

Some Indian Tribes, either alone or jointly with other Indian Tribes, operate health programs indirectly through separate Tribal organizations. The organizational structure of the Tribal organizations, as well as the designation of authority and responsibilities by the Tribes to the Tribal organizations, varies among Tribes and Tribal organizations. When the IHS enters into an ISDEAA contract or compact with a Tribal organization, the IHS engages in a detailed process of certifying that the Tribal organization meets the ISDEAA statutory requirements. The governing body of the Tribal organization must be composed solely of members of Indian Tribes. Each Tribe represented by the Tribal organization must have passed a resolution authorizing the Tribal organization to act on its behalf. ISDEAA requires that the contracting or compacting Tribal organization compute its costs in accordance with the cost principles for State, local, and Indian Tribal governments contained in the Office of Management and Budget (OMB) Circular A-87. Additionally, ISDEAA requires that the Tribal organization comply with the provisions of the Single Audit Act (31 U.S.C., Chapter 75). Therefore, reliance on the IHS certification process for approval of ISDEAA contracts and compacts will prevent duplication of some of the efforts necessary to determine—by CMS standards—whether an entity is a unit of government.

Some Tribal organizations that receive IHS funding do not operate solely on behalf of Tribal governments. A Tribal organization that is not formed wholly by Indian Tribes, as discussed above, may be authorized to act on behalf of Tribal governments, may receive IHS grant funds on behalf of such governments, and may be accorded the rights of such governments for many purposes. However, unless a Tribal organization is either the recognized governing body of an Indian Tribe, or an entity which is formed solely by, wholly owned by or comprised of, and

² See *Dille v. Council of Energy Resource Tribes*, 801 F.2d 373 (10th Cir. 1986).

exclusively controlled by Indian Tribes, as defined above, it is not a unit of government for Medicaid purposes.

Because of the variations in the organization, nature, function, responsibilities, and fiscal arrangements between Tribes and Tribal organizations, CMS has developed a set of criteria for use in analyzing whether a Tribal organization is acting as a unit of government and incurs expenditures of State plan administration that are eligible for Federal matching funds. All of these criteria must be met for recognition of certified public expenditures for administration of the State plan by a Tribal organization. If you choose to enter into a contractual arrangement for certification of expenditures for Medicaid administrative activities by a Tribal organization which meets the criteria set forth below, please ensure that your agreements are structured such that you do not contract out any Medicaid administrative functions that Federal or State law and regulations require that the State government itself perform. Assure that the activities covered by the contract are not already being offered or provided by other entities or through other programs and will not otherwise be paid for as a Medicaid administrative cost. In addition, if the Tribal organization is also a direct provider of health care services, the contract language must ensure that activities that are integral parts or extensions of direct medical services, such as patient follow-up, patient assessment, patient education, or counseling, are not included in the claims for Medicaid administration. Finally, the costs of any subcontracts by the Tribal organization to non-governmental entities are not to be included in the FFP claims for which certification is made.

CRITERIA FOR RECOGNITION OF TRIBAL ORGANIZATION EXPENDITURES AS THE NON-FEDERAL SHARE OF MEDICAID ADMINISTRATION CLAIMS:

1. The Tribal organization is carrying out health programs of the IHS, including health services which are eligible for reimbursement by Medicaid, under a contract or compact entered into between the Tribal organization and the IHS pursuant to the ISDEAA (P.L. 93-638), as amended.
2. The Tribal organization is either the recognized governing body of an Indian Tribe, or an entity which is formed solely by, wholly owned by or comprised of, and exclusively controlled by Indian Tribes, as defined in Section 4 of the ISDEAA (P.L. 93-638), as amended.
3. The Tribal organization has contracted with the State Medicaid agency to perform specified State Medicaid administrative activities and certify as public expenditures only its actual costs (computed in accordance with applicable provisions of OMB Circular A-87) of allowable administrative activities performed pursuant to its contract with the State Medicaid agency.

4. The expenditures for allowable administrative activities which are certified by the Tribal organization are made with Tribal sources of revenue other than Medicaid revenues or ISDEAA funds.

Attached is a list of Tribal organizations with current ISDEAA Title I contracts or Title V compacts that have been identified by IHS as meeting the criteria listed above (Attachment A). This list is subject to change as new Tribal organizations contract or compact with IHS on a yearly basis. In addition to the attached list of Tribal organizations, for those Tribal organizations which are the recognized governing body of an Indian Tribe, please refer to the Department of the Interior's list of federally Recognized Tribes. The most recent listing, a copy of which is attached (Attachment B), was published on December 5, 2003, in the *Federal Register* (67 Fed. Reg. 68180). Proof of current ISDEAA contractor status should be included in the agreement approval process established by each State.

Prior to claiming FFP for expenditures for which a Tribal organization certifies the funds, the State must submit a written statement to the jurisdictional CMS regional office, certifying that the State reviewed the organization and that it meets all of the criteria specified in this letter. Please note that the source of funds used by Tribal organizations to represent expenditures eligible for FFP must be documented to CMS upon its request.

If you have questions regarding this matter, please contact Mr. Ed Gendron at (410) 786-1064.

Sincerely,

/s/

DEPARTMENT OF THE INTERIOR**Bureau of Indian Affairs****Indian Entities Recognized and Eligible To Receive Services From the United States Bureau of Indian Affairs**

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given of the current list of 562 tribal entities recognized and eligible for funding and services from the Bureau of Indian Affairs by virtue of their status as Indian tribes. This notice is published pursuant to section 104 of the Act of November 2, 1994 (Pub. L. 103-454; 108 Stat. 4791, 4792).

FOR FURTHER INFORMATION CONTACT: Daisy West, Bureau of Indian Affairs, Division of Tribal Government Services, MS-320-MIB, 1849 C Street, NW., Washington, DC 20240. Telephone number: (202) 513-7641.

SUPPLEMENTARY INFORMATION: This notice is published in exercise of authority delegated to the Assistant Secretary—Indian Affairs under 25 U.S.C. 2 and 9 and 209 DM 8.

Published below is a list of federally acknowledged tribes in the contiguous 48 states and in Alaska. The list is updated from the notice published on July 12, 2002 (67 FR 46328).

Several tribes have made changes to their tribal name. To aid in identifying tribal name changes, the tribe's former name is included with the new tribal name. We will continue to list the tribe's former name for several years before dropping the former name from the list. We have also made several corrections. To aid in identifying corrections, the tribe's previously listed name is included with the tribal name.

The listed entities are acknowledged to have the immunities and privileges available to other federally acknowledged Indian tribes by virtue of their government-to-government relationship with the United States as well as the responsibilities, powers, limitations and obligations of such tribes. We have continued the practice of listing the Alaska Native entities separately solely for the purpose of facilitating identification of them and reference to them given the large number of complex Native names.

Dated: November 21, 2003.

Aurene M. Martin,
Principal Deputy Assistant Secretary—Indian Affairs.
