\*\*\*\* To access the SAS program file, click on the address below and then click on "[Data and Related Documentation](#)" for the range of year needed (either 1997-2006 or 1969-1996).

Access differs according to the configuration of the user's computer:

IF SAS is available: go to the website, click on the program, and it will load SAS and the program file together.

IF SAS is not available: go to the website, save the program on the user's computer, view it using Notepad. The user with SAS can also choose to use this method.
