Rep. Shuler Statement on the Inauguration of President Barack Obama

Washington, D.C. – U.S. Representative Heath Shuler released the following statement on the Inauguration of President Barack Obama.

“I am hopeful that the inauguration of President Barack Obama marks the beginning of a new era in American politics: an era that sees us move past the partisan bickering that have marred recent decades to a renewed sense of community, compromise, and cooperation. I also pray that the next four years brings a genuine commitment to the protection of life at all its stages. We must all remember that we have a moral obligation to help one another, especially the least among us. I am hopeful that throughout the next four years we do just that.”
