

AMENDMENT

OFFERED BY MR. BLUNT

After subsection (g), insert the following new subsection (and redesignate subsequent subsections accordingly):

1 (h) UNSERVED BEFORE UNDERSERVED AREAS.—

2 Notwithstanding any other provision of this section, no
3 grant may be awarded for the provision of—

4 (1) wireless voice service in an underserved area
5 if there is an unserved area with fewer providers of
6 wireless voice service;

7 (2) basic broadband service in an underserved
8 area if there is an unserved area with fewer pro-
9 viders of basic broadband service;

10 (3) advanced broadband service in an under-
11 served area if there is an unserved area with fewer
12 providers of advanced broadband service;

13 (4) advanced wireless broadband service in an
14 underserved area if there is an unserved area with
15 fewer providers of advanced wireless broadband serv-
16 ice;

1 (5) advanced wireless broadband service in an
2 unserved or underserved area if there is an unserved
3 or underserved area without wireless voice service; or

4 (6) advanced broadband service in an unserved
5 or underserved area if there is an unserved or un-
6 derserved area without basic broadband service.
