

**AMENDMENT TO THE COMMITTEE PRINT  
OFFERED BY MR. SHIMKUS OF ILLINOIS**

In section 5003, in the proposed section 1705(b),  
add at the end the following new paragraph:

- 1           “(3) Carbon capture and storage practices and
- 2           technologies, including agricultural and forestry
- 3           practices that store and sequester carbon.
