In section 3102(f)(2)(B)(iii)—

(1) in subclause (IV), strike “and” after the semicolon;

(2) in subclause (V), strike the period and insert “; and”; and

(3) after subclause (V), insert the following:

1 (VI) will, if approved, signifi-
2 cantly improve interoperable
3 broadband communications systems
4 available for use by public safety and
5 emergency response.

In section 3102, in subsection () (relating to “Definitions”)—

(1) strike “and” after the semicolon in paragraph (9);

(2) strike the period at the end of paragraph (10) and insert “; and”; and

(3) at the end of such subsection, add the following new paragraph:

1 (11) the term “interoperable broadband com-
2 munications systems” means communications sys-
3 tems which enable public safety agencies to share in-
4 formation among local, State, Federal, and tribal
5 public safety agencies in the same area using voice
6 or data signals via advanced wireless broadband
7 service.
