(b) The contents of petitions filed under § 28.112(a)(2) (by an employee or group of employees seeking an election to determine if a labor organization still represents a majority of employees in a unit) shall conform to those provided for in paragraph (a) of this section, except that the information required by paragraphs (a)(4) and (a)(7) of this section need not be supplied. Additionally, a petition under § 28.112(a)(2) shall include evidence satisfactory to the Board that at least 30 percent of the employees in the unit support the petition to determine whether the employees wish to continue to be represented by the labor organization currently having bargaining rights.

(c) The contents of petitions filed under § 28.112(a)(3) shall conform to those provided in petitions under paragraph (a) of this section except that the information required by paragraphs (a)(4) and (a)(7) of this section need not be supplied. Additionally, such a petition shall include a detailed statement giving the objective considerations which support the GAO's good faith reason for doubting the labor organization's continued status as the exclusive representative.

(d) The contents of petitions filed under § 28.112(a)(4) (by GAO or a labor organization seeking clarification of a certification) shall include the information required under paragraph (a) of this section, with the exception of the information required by paragraphs (a)(4) and (a)(7) of this section. Also, instead of the information required in paragraph (a)(1) of this section, the petition shall identify the existing unit and the date the organization was recognized by the GAO or certified as the exclusive representative, and shall explain the changes desired in the unit and the reasons therefor.

(e) Petitions under § 28.112(a)(5) (by any person seeking clarification or amendment of a certification, or raising any other representation matter) shall be filed on forms to be supplied by the Board upon request.
