SUPPLEMENTARY INFORMATION:

I. Abstract

This information collection supports the various collections, notifications, reports, and information exchanges that are needed by the Bureau of Industry and Security's (BIS) Office of Export Enforcement and U.S. Customs to enforce the Export Administration Regulations (EAR) and maintain the National Security of the United States. This collection of information involves nine miscellaneous activities described in Section 758 of the EAR that are associated with the export of items controlled by the Department of Commerce. Most of these activities do not involve submission of documents to the BIS but instead involve exchange of documents among parties in the export transaction to insure that each party understands its obligations under U.S. law. Others involve writing certain export control statements on shipping documents or reporting unforeseen changes in shipping and disposition of commodities.

II. Method of Collection

Submitted electronically or in paper form.

III. Data

OMB Control Number: 0694-0122.

Form Number(s): None.

Type of Review: Regular submission.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 1,427,450.

Estimated Time per Response: 5 seconds to 2 hours and 30 minutes, depending on the required document(s).

Estimated Total Annual Burden Hours: 77,926.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: January 26, 2009.

International Trade Administration

[A-549-822]

Implementation of the Findings of the WTO Panel in United States—Antidumping Measure on Shrimp From Thailand: Notice of Determination Under Section 129 of the Uruguay Round Agreements Act and Partial Revocation of the Antidumping Duty Order on Frozen Warmwater Shrimp From Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On January 12, 2009, the Department of Commerce (the Department) issued a determination regarding the offsetting of dumped sales with non-dumped sales when making average-to-average comparisons of export price and normal value in the antidumping duty investigation of certain frozen warmwater shrimp challenged by Thailand before the World Trade Organization (WTO). On January 16, 2009, the U.S. Trade Representative (USTR) instructed the Department to implement in whole this determination under section 129 of the Uruguay Round Agreements Act (URAA). The Department is now implementing this determination.

DATES: *Effective Date:* The effective date of this determination is January 16, 2009.

FOR FURTHER INFORMATION CONTACT:

Henry Almond or Shawn Thompson, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230; telephone: (202) 482-0049 or (202) 482-1776, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 14, 2008, the Department advised interested parties that it was initiating a proceeding under

section 129 of the URAA to issue a determination that would implement the findings of the WTO dispute settlement panel in *United States—Measures Relating to Shrimp From Thailand*, WT/DS343/R (Feb. 29, 2008). On November 21, 2008, the Department issued its preliminary results, in which it recalculated the weighted-average dumping margins from the antidumping investigation of frozen warmwater shrimp from Thailand¹ by applying the calculation methodology described in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin During an Antidumping Investigation; Final Modification*, 71 FR 77722 (Dec. 27, 2006). The Department also invited interested parties to comment on the preliminary results. After receiving comments and rebuttal comments from the interested parties, the Department issued its final results for the section 129 determination on January 12, 2009.

On January 16, 2009, consistent with section 129(b)(3) of the URAA, the USTR held consultations with the Department and the appropriate congressional committees with respect to this determination. Also on January 16, 2009, in accordance with sections 129(b)(4) and 129(c)(1)(B) of the URAA, the USTR directed the Department to implement in whole this determination.

Nature of the Proceedings

Section 129 of the URAA governs the nature and effect of determinations issued by the Department to implement findings by WTO dispute settlement panels and the Appellate Body. Specifically, section 129(b)(2) provides that “notwithstanding any provision of the Tariff Act of 1930,” within 180 days of a written request from the USTR, the Department shall issue a determination that would render its actions not inconsistent with an adverse finding of a WTO panel or the Appellate Body. *See* 19 U.S.C. 3538(b)(2). The Statement of Administrative Action, URAA, H. Doc. 316, Vol. 1, 103d Cong. (1994) (SAA) variously refers to such a determination by the Department as a “new,” “second,” and “different” determination. *See* SAA at 1025, 1027. After consulting with the Department and the appropriate congressional committees, the USTR may direct the Department to implement, in whole or in part, the new determination made under section 129. *See* 19 U.S.C. 3538(b)(4). Pursuant to section 129(c),
