

Research Studies

The following links provide access to information about the NNP research studies under investigation:

- Clinical Trials Network (CTN) protocols
- Criminal Justice-Drug Abuse Treatment Studies (CJ-DATS) (Website)
- Latest Research Findings: NIDA Director's Report

- Multi-Site Prevention Trials (MPT) abstracts

- State Infrastructure Grants (SIG) abstracts
- Transdisciplinary Prevention Research Centers (TPRC) abstracts
- Transdisciplinary Tobacco Use Research Centers (TTURC) (Website)

For information about other NIDA grants, you can query the NIH CRISP system at <http://crisp.cit.nih.gov/>.
