BETWEEN THE
OFFICE OF INSPECTOR GENERAL
OF THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES
AND
HOLINER PSYCHIATRIC GROUP, P.A. AND JOEL A. HOLINER, M.D.**

I. PREAMBLE

Holiner Psychiatric Group, P.A. and Joel A. Holiner, M.D. (collectively “HPG”) hereby enter into this Integrity Agreement (Agreement) with the Office of Inspector General (OIG) of the United States Department of Health and Human Services (HHS) to promote compliance with the statutes, regulations, program requirements, and written directives of Medicare, Medicaid, and all other Federal health care programs (as defined in 42 U.S.C. § 1320a-7b(f)) (“Federal health care program requirements”). This commitment to promote compliance applies to any entity that HPG owns or in which HPG has a control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), and HPG’s and any such entity’s Covered Persons as defined in Section II.C. Contemporaneously with this Agreement, HPG is entering into a Settlement Agreement with the United States, and this Agreement is incorporated by reference into the Settlement Agreement.

II. TERM OF THE AGREEMENT

A. The date on which the final signatory of this Agreement executes this Agreement shall be known as the Effective Date. The period of compliance obligations assumed by HPG under this Agreement shall be five years from the Effective Date of this Agreement. Each one-year period beginning with the one-year period following the Effective Date shall be referred to as a “Reporting Period.”

B. Sections VII, VIII, IX, X, and XI shall expire no later than 120 days from OIG’s receipt of: (1) HPG’s final Annual Report; or (2) any additional materials submitted by HPG pursuant to OIG’s request, whichever is later.

C. The scope of this Agreement shall be governed by the following definitions:

1. “Covered Persons” includes:
 - a. all owners, officers, directors, and employees of HPG; and

- b. all contractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of HPG.

Notwithstanding the above, this term does not include part-time or per diem employees, contractors, subcontractors, agents, and other persons who are not reasonably expected to work more than 160 hours per year, except that any such individuals shall become “Covered Persons” at the point when they work more than 160 hours during the calendar year.

2. “Relevant Covered Persons” includes:

- a. all physicians, psychologists, nurse practitioners and ancillary health professionals who provide professional psychiatric or psychological services as employees of HPG;
- b. employees of HPG who are involved in the generation and submission of claims for reimbursement for professional medical services from any Federal health care program including, without limitation, coders and billing personnel; and
- c. any third party billing agent HPG may choose to utilize.

III. INTEGRITY OBLIGATIONS

HPG shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Contact

Within 30 days after the Effective Date, HPG shall designate a person to be responsible for compliance activities (“Compliance Contact”). HPG shall maintain a Compliance Contact for the term of this IA. The Compliance Contact shall be responsible for: (1) developing and implementing policies, procedures, and practices designed to ensure compliance with the requirements set forth in this Agreement and with Federal health care program requirements; (2) monitoring HPG’s day-to-day compliance activities; and (3) meeting all reporting obligations created under this Agreement.

HPG shall report to OIG, in writing, any changes in the identity or job responsibilities of the Compliance Contact, or any actions or changes that would affect the Compliance Contact's ability to perform the duties necessary to meet the obligations in this Agreement, within 30 days after such change. The name, address, phone number, and a description of any other job responsibilities performed by the Compliance Contact shall be included in the Implementation Report.

B. Posting of Notice

Within the 90 days after the Effective Date, HPG shall post in a prominent place accessible to all patients and Covered Persons a notice detailing its commitment to comply with all Federal health care program requirements in the conduct of its business.

This notice shall also include the following information: (i) a means (e.g., telephone number or address) by which instances of misconduct may be reported anonymously; (ii) HPG's commitment to maintain the confidentiality of the report; and (iii) notification that the act of reporting a suspected violation will not result in retribution or retaliation by HPG. A copy of this notice shall be included in the Implementation Report.

C. Written Policies and Procedures

Within 120 days after the Effective Date, HPG shall develop, implement, and distribute written Policies and Procedures to all Covered Persons. In addition, HPG shall make the promotion of, and adherence to, the written Policies and Procedures an element in evaluating the performance of all employees. The written Policies and Procedures shall, at a minimum, set forth:

1. HPG's commitment to full compliance with all Federal health care program requirements, including its commitment to prepare and submit accurate claims consistent with such requirements;
2. the expectation that all of HPG's Covered Persons shall be expected to comply with all Federal health care program requirements and with HPG's own written Policies and Procedures as implemented pursuant to this Section III.C (including the requirements of this Agreement);
3. the responsibility and requirement that all Covered Persons report

suspected violations of any Federal health care program requirements or of HPG's own Policies and Procedures to the Compliance Contact and HPG's commitment to maintain confidentiality and anonymity, as appropriate, and not to retaliate with respect to such disclosures;

4. the possible consequences to both HPG and Covered Persons of failure to comply with Federal health care program requirements or with HPG's written Policies and Procedures and the failure to report such noncompliance;

5. HPG's commitment to remain current with all Federal health care program requirements by obtaining and reviewing program memoranda, newsletters, and any other correspondence from the carrier related to Federal health care program requirements;

6. the proper procedures for the accurate preparation and submission of claims in accordance with Federal health care program requirements; and

7. procedures regarding the proper documentation of services and billing information.

Within 120 days after the Effective Date, each Covered Person shall certify in writing that he or she has received, read, understood, and shall abide by HPG's written Policies and Procedures. New Covered Persons shall receive and review the written Policies and Procedures and shall complete the required certification within 30 days after becoming a Covered Person or within 120 days after the Effective Date, whichever is later.

At least annually (and more frequently if appropriate), HPG shall assess and update, as necessary, the Policies and Procedures. Within 30 days after the effective date of any revisions, the relevant portions of any such revised Policies and Procedures shall be distributed to all Covered Persons. Appropriate and knowledgeable staff shall be available to explain the Policies and Procedures.

Copies of the written Policies and Procedures shall be included in the Implementation Report. Copies of any written Policies and Procedures that are subsequently revised shall be included in the next Annual Report along with a summary of any change or amendment to each Policy and Procedure required by this Section and the reason for each change.

D. Training and Certification

1. General Training. Within 120 days after the Effective Date, HPG shall provide at least 2 hours of General Training to each Covered Person.

This training, at a minimum, shall cover the following topics:

- a. the requirements of HPG's Agreement;
- b. an overview of HPG's compliance program; and
- c. the written Policies and Procedures developed pursuant to Section III.C, above.

New Covered Persons shall receive the General Training described above within 30 days after becoming a Covered Person or within 120 days after the Effective Date, whichever is later. After receiving the initial General Training, described above, each Covered Person shall receive at least one hour of General Training annually.

2. Specific Training. Within 120 days after the Effective Date, each Relevant Covered Person shall receive at least 4 hours of Specific Training in addition to the General Training required above. The Specific Training shall be provided by an individual or entity other than HPG or another Covered Person, and may be received from a variety of sources (e.g., CME classes, hospitals, associations, Medicare contractors, compliance consultants, computer training).

This specific training shall include a discussion of:

- a. the accurate coding and submission of claims for services rendered and/or items provided to Federal health care program beneficiaries by HPG;
- b. policies, procedures, and other requirements applicable to the documentation of medical records;
- c. the personal obligation of each individual involved in the coding and claims submission process to ensure that such claims are accurate;

- d. applicable reimbursement statutes, regulations, and program requirements and directives;
- e. the legal sanctions for the submission of improper claims or violations of the Federal health care program requirements; and
- f. examples of proper and improper claim submission practices provided by HPG.

Relevant Covered Persons shall receive this training within 30 days after the beginning of their employment or becoming a Relevant Covered Person, or within 120 days after the Effective Date, whichever is later. An HPG employee who has completed the Specific Training shall review a new Relevant Covered Person's work, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Relevant Covered Person completes his or her Specific Training.

After receiving the initial Specific Training described in this Section, each Relevant Covered Person shall receive at least 2 hours of Specific Training annually. The Compliance Contact shall annually review the training, and where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during Claims Reviews and any other relevant information.

3. Certification. Each individual that is required to receive training shall certify in writing, or in electronic form if the training is computerized, that he or she has received the required training. The certification shall specify the type of training received and the date received. The Compliance Contact shall retain the certifications along with all training materials. The training materials shall be provided in the Implementation Report, and to the extent the training is revised, shall also be included in the Annual Reports. The certifications shall be made available to OIG, upon request.

4. Qualifications of Trainer(s). Persons providing the training shall be knowledgeable about the subject area.

5. Update of Training. HPG shall annually review the training, and, where appropriate, update the training to reflect changes in Federal health care program requirements, any issues discovered during the Claims Review, and any other relevant information.

6. Computer Based Training. HPG may provide the training required under this Agreement through appropriate computer-based training approaches. If HPG chooses to provide computer-based training, it shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

E. Review Procedures

1. General Description.

a. *Engagement of Independent Review Organization*. Within 90 days after the Effective Date, HPG shall engage an entity (or entities), such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist HPG in assessing and evaluating its billing and coding practices and certain other compliance obligations pursuant to this Agreement and the Settlement Agreement.

Each IRO engaged by HPG shall have expertise in the billing, coding, reporting, and other requirements involving the provision of professional psychiatric services and in the general requirements of the Federal health care program(s) from which HPG seeks reimbursement. Each IRO shall assess, along with HPG, whether it can perform the IRO review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement and taking into account any other business relationships or other engagements that may exist.

The IRO(s) review shall evaluate and analyze HPG’s coding, billing, and claims submission to the Federal health care programs and the reimbursement received (“Claims Review”). If HPG or an entity in which HPG has an ownership or control interest in (as defined in 42 U.S.C. §1320a-3(a)(3)) submits cost reports, HPG shall engage an IRO to analyze whether HPG sought payment for certain unallowable costs (“Unallowable Cost Review”). The applicable requirements relating to the IRO are outlined in Appendix A to this Agreement, which is incorporated by reference.

b. *Frequency of Claims Review*. The Claims Review shall be performed annually and shall cover each of the Reporting Periods. For the first three Reporting Periods, one or more IRO(s) shall

perform all components of each annual Claims Review. However, after the IRO performs a Claims Review for the third Reporting Period, HPG, at its option, may request the OIG to permit that Claims Review be conducted internally for the remainder of the term of the CIA. The OIG retains the sole discretion over whether to permit the Claims Review to be conducted internally by HPG after the third Reporting Period. In making its decision, the OIG will consider, among other factors, the results of the Claims Review during the first three Reporting Periods and HPG's audit capabilities to perform the Claims Review internally. If the OIG denies HPG's request, HPG agrees to engage an IRO to perform the remaining Claims Reviews in accordance with this CIA.

c. *Frequency of Unallowable Cost Review.* If applicable, the IRO shall perform the Unallowable Cost Review for the first Reporting Period. If not applicable, HPG shall sign a certification, as required by Section III.E.4 below, stating that it does not currently and has not submitted a cost report since this Agreement was executed.

d. *Retention of Records.* The IRO and HPG shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and HPG) related to the reviews.

2. Claims Review. The Claims Review shall include a Discovery Sample and, if necessary, a Full Sample. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this Agreement, which is incorporated by reference.

a. *Discovery Sample.* The IRO shall randomly select and review a sample of 50 Medicare Paid Claims submitted by or on behalf of HPG (Discovery Sample).

The Paid Claims shall be reviewed based on the supporting documentation available at HPG's office or under HPG's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed

i. If the Error Rate (as defined in Appendix B) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The

guidelines listed above do not imply that this is an acceptable error rate. Accordingly, HPG should, as appropriate, further analyze any errors identified in the Discovery Sample. HPG recognizes that OIG or other HHS component, in its discretion and as authorized by statute, regulation, or other appropriate authority may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

ii. If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall perform a Full Sample and a Systems Review, as described below.

b. *Full Sample.* If necessary, as determined by procedures set forth in Section III.E.2.a, the IRO shall perform an additional sample of Paid Claims using commonly accepted sampling methods and in accordance with Appendix B. The Full Sample shall be designed to: (i) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (ii) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims shall be reviewed based on supporting documentation available at HPG's office or under HPG's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, HPG may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample, if: (i) statistically appropriate and (ii) HPG selects the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from HPG to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

c. *Systems Review.* If HPG's Discovery Sample identifies an Error Rate of 5% or greater, HPG's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform

a “walk through” of the system(s) and process(es) that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

d. *Repayment of Identified Overpayments.* In accordance with Section III.H.1 of this Agreement, HPG shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. HPG shall make available to OIG any and all documentation and the associated documentation that reflects the refund of the Overpayment(s) to the payor.

3. Claims Review Report. The IRO shall prepare a report based upon the Claims Review performed (the “Claims Review Report”). Information to be included in the Claims Review Report is described in Appendix B.

4. Unallowable Cost Review.

a. Unless paragraph III.E.4.b, below, applies, the IRO shall conduct a review of HPG’s compliance with the unallowable cost provisions of the Settlement Agreement. The IRO shall determine whether HPG has complied with its obligations not to charge to, or otherwise seek payment from, Federal or State payors for unallowable costs (as defined in the Settlement Agreement) and its obligation to identify to applicable Federal or State payors any unallowable costs included in payments previously sought from the United States, or any State Medicaid program. This unallowable cost analysis shall include, but not be limited to, payments sought in any cost reports, cost statements, information reports, or payment requests already submitted by HPG or any affiliates. To the extent that such cost reports, cost statements, information reports, or payment requests, even if already settled, have been adjusted to account for the effect of the inclusion of the unallowable costs, the IRO shall determine if such adjustments were proper. In making this determination, the IRO may need to review cost reports and/or financial statements from the year in which the Settlement Agreement was executed, as well as from previous years.

b. If HPG executes and submits to the OIG in the first Annual

Report a certification that neither HPG nor any entity in which HPG has any ownership or control interest has ever submitted any cost report or other submission to a Federal health care program seeking reimbursement based on costs, then no Unallowable Cost Review will be required under this Agreement.

5. Validation Review. In the event OIG has reason to believe that: (a) HPG's Claims Review or any other review required by Section III.E (Review) fails to conform to the requirements of this Agreement; or (b) the IRO's findings or Claims Review results or other results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review or other Review complied with the requirements of the Agreement and/or the findings or Claims Review results or other results are inaccurate ("Validation Review"). HPG shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents so long as it is initiated within one year after HPG's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify HPG of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, HPG may request a meeting with OIG to: (a) discuss the results of any Claims Review or other Review submissions or findings; (b) present any additional or relevant information to clarify the results of the Claims Review or other Review to correct the inaccuracy of the Claims Review or other Review; and/or (c) propose alternatives to the proposed Validation Review. HPG agrees to provide any additional information requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Claims Review or other Review issues with HPG prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

6. Independence/Objectivity Certification. The IRO shall include in its report(s) to HPG a certification or sworn affidavit that it has evaluated its professional independence and/or objectivity, as appropriate to the nature of the engagement, with regard to the Claims Review or other Review and that it has concluded that it is, in fact, independent and/or objective.

F. Ineligible Persons

1. Definitions. For purposes of this Agreement:

a. An “Ineligible Person” shall include an individual or entity who: (i) is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or (ii) has been convicted of a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.

b. “Exclusion Lists” include: (i) the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://oig.hhs.gov>); and (ii) the General Services Administration’s List of Parties Excluded from Federal Programs (available through the Internet at <http://www.epls.arnet.gov>).

2. Screening Requirements. HPG shall ensure that all prospective and current owners, officers, directors, employees, contractors, and agents of HPG are not Ineligible Persons. To ensure that such individuals and entities are not Ineligible Persons, HPG shall require such individuals and entities to disclose immediately any debarment, exclusion, suspension, or other event that makes such individual or entity an Ineligible Person. Prior to engaging the services of such individuals and entities, HPG shall screen such individuals and entities against the Exclusion Lists. In addition, HPG shall:

a. Within 90 days after the Effective Date, review its list of individuals and entities identified in Section III.F.2 against the Exclusion Lists; and

b. Review its list of individuals and entities identified in Section III.F.2 against the Exclusion Lists annually.

HPG shall maintain documentation demonstrating that: (1) it has checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) has required individuals and entities to disclose if they are an Ineligible Person (e.g., employment applications).

Nothing in this Section affects the responsibility of (or liability for) HPG to refrain from billing Federal health care programs for services furnished, ordered, or prescribed by an Ineligible Person.

3. Removal Requirement. If HPG has notice that any individual or entity in one of the positions identified in Section III.F.2 has become an Ineligible

Person, HPG shall remove such individual or entity from responsibility for, or involvement with, HPG's business operations related to the Federal health care programs and shall remove such individual or entity from any position for which the individual's or entity's compensation or the items or services rendered, ordered, or prescribed by the individual or entity are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the individual or entity is reinstated into participation in the Federal health care programs.

4. Pending Charges and Proposed Exclusions. If HPG has notice that an individual identified in Section III.F.2 is charged with a criminal offense that falls within the ambit of 42 U.S.C. § 1320a-7(a), or an individual or entity identified in Section III.F.2 is proposed for exclusion during his, her or its employment, involvement or contract term, HPG shall take all appropriate actions to ensure that the responsibilities of that individual or entity has not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or the accuracy of any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings

Within 30 days after discovery, HPG shall notify OIG, in writing, of any ongoing investigation known to HPG or legal proceeding known to HPG conducted or brought by a governmental entity or its agents involving an allegation that HPG has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. HPG shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the proceedings, if any.

H. Reporting

1. Overpayments

a. *Definition of Overpayments*. For purposes of this Agreement, an "Overpayment" shall mean the amount of money HPG has received in excess of the amount due and payable under any Federal health care program requirements.

b. *Reporting of Overpayments*. If, at any time, HPG identifies or learns of any Overpayment, HPG shall notify the payor (e.g.,

Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. Also, within 30 days after identification of the Overpayment, HPG shall repay the Overpayment to the appropriate payor to the extent such Overpayment has been quantified. If not yet quantified within 30 days after identification, HPG shall notify the payor at that time of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies, and for Medicare contractors shall include the information contained on the Overpayment Refund Form, provided as Attachment 1 to Appendix B to this Agreement. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

2. Reportable Events.

a. *Definition of Reportable Event.* For purposes of this Agreement, a "Reportable Event" means anything that involves:

- i. a substantial Overpayment; or
- ii. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized.

A Reportable Event may be the result of an isolated event or a series of occurrences.

b. *Reporting of Reportable Event.* If HPG determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, HPG shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists. The report to OIG shall include the following information:

i. If the Reportable Event results in an Overpayment, the report to OIG shall be made at the same time as the notification to the payor required in Section III.H.1, and shall include all of the information on the Overpayment Refund Form, as well as:

(A) the payor's name, address, and contact person to whom the Overpayment was sent; and

(B) the date of the check and identification number (or electronic transaction number) by which the Overpayment was repaid/refunded;

ii. a complete description of the Reportable Event, including the relevant facts, persons involved, and reference(s) to the legal and Federal health care program authorities potentially implicated;

iii. a description of HPG's actions taken to correct the Reportable Event; and

iv. any further steps HPG plans to take to address the Reportable Event and prevent it from recurring.

IV. NEW BUSINESS UNITS OR LOCATIONS

In the event that, after the Effective Date, HPG changes locations or sells, closes, purchases, or establishes a new business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, HPG shall notify OIG of this fact as soon as possible, but no later than 30 days after the date of change of location, sale, closure, purchase, or establishment. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare Provider number, provider identification number, and/or supplier number, and the corresponding contractor's name and address that issued each number. Each new business unit or location and all Covered Persons at each new business unit or location shall be subject to the applicable requirements in this Agreement.

Prior to HPG becoming an employee or contractor with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, HPG shall notify that party of this Agreement. This notification shall include a copy of the Agreement, a statement indicating the remaining term of the

Agreement, and a summary of HPG's obligations under the Agreement. In addition, HPG shall notify OIG of such relationship in its next Annual Report.

17. if HPG became an employee or contractor with another party related to the furnishing of items or services that may be reimbursed by Federal health care programs, HPG shall inform OIG of the name, location, relationship, and its responsibilities with respect HPG's employment or contract;

18. A certification, where appropriate, by the Compliance Contact that certifies that:

19. a certification signed by HPG certifying that (a) to the best of its knowledge, except as otherwise described in the applicable Report, HPG is in compliance with all of the requirements of this Agreement and (b) HPG has reviewed the Annual Report and has made a reasonable inquiry regarding its content and believes that the information is accurate and truthful.

The first Annual Report shall be received by OIG no later than 60 days after the end of the first Reporting Period. Subsequent Annual Reports shall be received by OIG no later than the anniversary date of the due date of the first Annual Report.

C. Designation of Information

HPG shall clearly identify any portions of its submissions that it believes are trade secrets, or information that is commercial or financial and privileged or confidential, and therefore potentially exempt from disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. HPG shall refrain from identifying any information as exempt from disclosure if that information does not meet the criteria for exemption from disclosure under FOIA.

HPG shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. HPG's employees may elect to be interviewed with or without a representative of HPG present.

VIII. DOCUMENT AND RECORD RETENTION

HPG shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs, or to compliance with this Agreement, for six years (or longer if otherwise required by law).

IX. DISCLOSURES

Consistent with HHS’s FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify HPG prior to any release by OIG of information submitted by HPG pursuant to its obligations under this Agreement and identified upon submission by HPG as trade secrets, or information that is commercial or financial and privileged or confidential, under the FOIA rules. With respect to such releases, HPG shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

HPG is expected to fully and timely comply with all of its Agreement obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations

As a contractual remedy, HPG and OIG hereby agree that failure to comply with certain obligations set forth in this Agreement (unless a timely written request for an extension has been requested and approved in accordance with Section B below) may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$750 (which shall begin to accrue on the day after the date the obligation became due) for each day HPG fails to:
 - a. have a Compliance Contact in accordance with the requirements of Section III.A;
 - b. establish and/or post a notice in accordance with the requirements of Section III.B;
 - c. establish, implement, maintain, distribute and/or update the written Policies and Procedures in accordance with the requirements of Section III.C;
 - d. establish and implement a training program in accordance with the requirements of Section III.D;
 - e. engage an IRO in accordance with the requirements of Section III.E.1.a and Appendix A;
 - f. submit the IRO’s annual Claims Review Report and any other

required Review in accordance with the requirements of Section III.E and Appendix B;

g. obtain and/or maintain the following documentation: Policies and Procedures certifications in accordance with the requirements of Section III.C, training certification(s) in accordance with the requirements of Section III.D, and/or documentation of screening and disclosure requirements in accordance with the requirements of Section III.F.2.

h. screen current or prospective owners, officers, directors, employees, contractors or agents in accordance with the requirements of Section III.F; or require owners, officers, directors, employees, contractors or agents to disclose if they are debarred, excluded, suspended or are otherwise considered an Ineligible Person in accordance with the requirements of Section III.F; or

i. notify OIG of a Government investigation or legal proceeding, in accordance with the requirements of Section III.G.

2. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day HPG fails to submit the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

3. A Stipulated Penalty of \$750 for each day HPG fails to grant access to the information or documentation as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date HPG fails to grant access.)

4. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of HPG as part of its Implementation Report, Annual Reports, additional documentation to a Report (as requested by OIG), or as otherwise required by this Agreement.

5. A Stipulated Penalty of \$750 for each day HPG fails to comply fully and adequately with any obligation of this Agreement. OIG shall provide notice (Notice) to HPG stating the specific grounds for its determination that HPG has failed to comply fully and adequately with the Agreement obligation(s) at issue and steps the HPG shall take to comply with the Agreement. (This Stipulated Penalty shall begin to accrue 10 days after the date HPG receives this Notice from OIG of the failure to comply.) In the event HPG cures the

alleged failure to comply prior to 10 days from the date HPG receives this Notice, no Stipulated Penalty will be incurred. A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-4 of this Section.

B. Timely Written Requests for Extensions

HPG may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or Report required by this Agreement. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or Report, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until one day after HPG fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until three business days after HPG receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. Demand Letter. Upon a finding that HPG has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify HPG of: (a) HPG's failure to comply; and (b) OIG's exercise of its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. Response to Demand Letter. Within 10 days of the receipt of the Demand Letter, HPG shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to OIG a request for a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event HPG elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until HPG cures, to OIG's satisfaction, the alleged breach in dispute. If the ALJ finds in favor of HPG, no Stipulated Penalties shall be deemed to have

accrued. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this Agreement and shall be grounds for exclusion under Section X.D.

3. Form of Payment. Payment of the Stipulated Penalties shall be made by certified or cashier's check, payable to: "Secretary of the Department of Health and Human Services," and submitted to OIG at the address set forth in Section VI.

4. Independence from Material Breach Determination. Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that HPG has materially breached this Agreement, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this Agreement

1. Definition of Material Breach. A material breach of this Agreement means:

- a. a failure by HPG to report a Reportable Event, take corrective action and make the appropriate refunds, as required in Section III.H;
- b. a repeated or flagrant violation of the obligations under this Agreement, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.E.

2. Notice of Material Breach and Intent to Exclude. The parties agree that a material breach of this Agreement by HPG constitutes an independent basis for HPG's exclusion from participation in the Federal health care programs. Upon a determination by OIG that HPG has materially breached this Agreement and that exclusion is the appropriate remedy, OIG shall notify HPG of: (a) HPG's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. Opportunity to Cure. HPG shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. HPG is in compliance with the obligations of the Agreement cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) HPG has begun to take action to cure the material breach; (ii) HPG is pursuing such action with due diligence; and (iii) HPG has provided to OIG a reasonable timetable for curing the material breach.

4. Exclusion Letter. If at the conclusion of the 30-day period, HPG fails to satisfy the requirements of Section X.D.3, OIG may exclude HPG from participation in the Federal health care programs. OIG shall notify HPG in writing of its determination to exclude HPG (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of HPG's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and non-procurement programs. Reinstatement to program participation is not automatic. After the end of the period of exclusion, HPG may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution

1. Review Rights. Upon OIG's delivery to HPG of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this Agreement, HPG shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this Agreement. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a

hearing involving Stipulated Penalties shall be made within 10 days after the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. Stipulated Penalties Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this Agreement shall be: (a) whether HPG was in full and timely compliance with the obligations of this Agreement for which OIG demands payment; and (b) the period of noncompliance. HPG shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this Agreement and orders HPG to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless HPG requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. Exclusion Review. Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this Agreement shall be:

- a. whether HPG was in material breach of this Agreement;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that: i. HPG had begun to take action to cure the material breach within that period; ii. HPG has pursued and is pursuing such action with due diligence; and iii. HPG provided to OIG within that period a reasonable timetable for curing the material breach and HPG has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for HPG, only after a DAB decision in favor of OIG. HPG's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude HPG upon

the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that HPG may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. HPG shall waive its right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of HPG, HPG shall be reinstated effective on the date of the original exclusion.

4. Finality of Decision. The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this Agreement agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this Agreement.

XI. EFFECTIVE AND BINDING AGREEMENT

Consistent with the provisions in the Settlement Agreement pursuant to which this Agreement is entered, and into which this Agreement is incorporated, HPG and OIG agree as follows:

- A. This Agreement shall be binding on the successors, assigns, and transferees of HPG;
- B. This Agreement shall become final and binding on the date the final signature is obtained on the Agreement;
- C. Any modifications to this Agreement shall only be made with the prior written consent of the parties to this Agreement;
- D. OIG may agree to a suspension of HPG's obligations under this Agreement in the event of HPG's cessation of participation in Federal health care programs. If HPG withdraws from participation in Federal health care programs and is relieved of its Agreement obligations by OIG, HPG shall notify OIG 30 days in advance of HPG's intent to reapply as a participating provider or supplier with any Federal health care program. Upon receipt of such notification, OIG shall evaluate whether the Agreement shall be reactivated or modified;
- E. All requirements and remedies set forth in this Agreement are in

addition to, and do not effect, (1) HPG's responsibility to follow all applicable Federal health care program requirements or (2) the Government's right to impose appropriate remedies for failure to follow applicable program requirements; and

F. The undersigned HPG signatories represent and warrant that they are authorized to execute this Agreement. The undersigned OIG signatory represents that he is signing this Agreement in his official capacity and that he is authorized to execute this Agreement.

APPENDIX A INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the IA.

A. IRO Engagement.

HPG shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and/or objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify HPG if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, HPG may continue to engage the IRO.

If HPG engages a new IRO during the term of the CIA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, HPG shall submit the information identified in Section V.A.8 to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify HPG if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, HPG may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Claims Review and Unallowable Cost Review engagement who have expertise in the billing, coding, reporting, and other requirements involving the provision of professional psychiatric services and in the general requirements of the Federal health care program(s) from which HPG seeks reimbursement;
2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;
3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification (e.g., CCA, CCS, CCS-P, CPC, RRA, etc.) and who have maintained this certification (e.g., completed applicable continuing education requirements); and
4. have sufficient staff and resources to conduct the reviews required by the CIA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Claim Review or other Review in accordance with the specific requirements of the IA;
2. follow all applicable Medicare and Medicaid rules and reimbursement guidelines in making assessments in the Claims Review;
3. if in doubt of the application of a particular Medicare and Medicaid policies or regulations, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);
4. respond to all OIG inquires in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B.

D. IRO Independence/Objectivity.

The IRO must perform the Claims Review in a professionally independent and/or objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and HPG.

E. IRO Removal/Termination.

1. *Provider.* If HPG terminates its IRO during the course of the engagement, HPG must submit a notice explaining its reasons to OIG no later than 30 days after termination. HPG must engage a new IRO in accordance with Paragraph A of this Appendix.
2. *OIG Removal of IRO.* In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require HPG to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring HPG to engage a new IRO, OIG shall notify HPG of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, HPG may request a meeting with OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters. HPG shall provide any

additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with HPG prior to requiring HPG to terminate the IRO. However, the final determination as to whether or not to require HPG to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B CLAIMS REVIEW

A. Claims Review.

1. *Definitions.* For the purposes of the Claims Review, the following definitions shall be used:

a. Overpayment: The amount of money HPG has received in excess of the amount due and payable under any Federal health care program requirements.

b. Item: Any discrete unit that can be sampled (e.g., code, line item, beneficiary, patient encounter, etc.).

c. Paid Claim: A code or line item submitted by HPG and for which HPG has received reimbursement from the Medicare program.

d. Population: For the first Reporting Period, the Population shall be defined as all Items for which a code or line item has been submitted by or on behalf of HPG and for which HPG has received reimbursement from Medicare (i.e., Paid Claim) during the 12-month period covered by the first Claims Review.

For the remaining Reporting Periods, the Population shall be defined as all Items for which HPG has received reimbursement from Medicare (i.e., Paid Claim) during the 12-month period covered by the Claims Review.

To be included in the Population, an Item must have resulted in at least one Paid Claim.

e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

2. *Other Requirements.*

- a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which HPG cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by HPG for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.
- b. Replacement Sampling. Considering the Population shall consist only of Paid Claims and that Items with missing documentation cannot be replaced, there is no need to utilize alternate or replacement sampling units.
- c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

B. Claims Review Report. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology*.

- a. Sampling Unit. A description of the Item as that term is utilized for the Claims Review.
- b. Claims Review Population. A description of the Population subject to the Claims Review
- c. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.
- d. Sampling Frame. A description of the sampling frame, which is the totality of Items from which the Discovery Sample and, if any, Full Sample has been selected and an explanation of the methodology used to identify the sampling frame. In most circumstances, the sampling frame will be identical to the Population.
- e. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records, physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program

memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

f. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

2. *Statistical Sampling Documentation.*

- a. The number of Items appraised in the Discovery Sample and, if applicable, in the Full Sample
- b. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
- c. A copy of the statistical software printout(s) estimating how many Items are to be included in the Full Sample, if applicable.
- d. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings.*

a. Narrative Results.

- i. A description of HPG’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
- ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).

b. Quantitative Results.

- i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by HPG (Claim Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.

- ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to HPG.
- iii. Total dollar amount of all Overpayments in the sample.
- iv. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.
- v. Error Rate in the sample.
- vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount. (See Attachment 1 to this Appendix.)
