Lung and bronchus Larynx All subs Larynx All subs Nasal cavities All subs Mesothelioma All subs Breast, females All subs Cervix uteri All subs Vulva All subs Corpus uteri All subs Corpus uteri All subs Deary All subs Testis All subs Bladder All subs Bladder	requent cancers excluding cancers of the lung and bronchus requent cancers excluding cancer of the larynx requent cancers excluding cancer of the nasal cavities requent cancers excluding mesothelioma requent cancers excluding cancer of the breast, females requent cancers excluding cancer of the breast, males
Larynx All subs Nasal cavities All subs Mesothelioma All subs Breast, females All subs Breast, males All subs Cervix uteri All subs Vagina All subs Corpus uteri All subs Corpus uteri All subs Testis All subs Bladder All subs	requent cancers excluding cancer of the larynx requent cancers excluding cancer of the nasal cavities requent cancers excluding mesothelioma requent cancers excluding cancer of the breast, females requent cancers excluding cancer of the breast, males
Nasal cavities All subs Mesothelioma All subs Breast, females All subs Breast, males All subs Cervix uteri All subs Vagina All subs Corpus uteri All subs Corpus uteri All subs Testis All subs Bladder All subs	requent cancers excluding cancer of the nasal cavities requent cancers excluding mesothelioma requent cancers excluding cancer of the breast, females requent cancers excluding cancer of the breast, males
Mesothelioma All subs Breast, females All subs Cervix uteri All subs Vagina All subs Corpus uteri All subs Corpus uteri All subs Corpus uteri All subs Dvary All subs Testis All subs Bladder All subs	requent cancers excluding mesothelioma requent cancers excluding cancer of the breast, females requent cancers excluding cancer of the breast, males
Breast, females Breast, males Cervix uteri Vagina All subs Vulva All subs Corpus uteri All subs Ovary All subs Testis All subs Bladder All subs Bladder All subs	requent cancers excluding cancer of the breast, females requent cancers excluding cancer of the breast, males
Breast, males All subs Cervix uteri All subs Vagina All subs Vulva All subs Corpus uteri All subs Ovary All subs Testis All subs Penis All subs Bladder All subs	equent cancers excluding cancer of the breast, males
Cervix uteri All subs Vagina All subs Vulva All subs Corpus uteri All subs Ovary All subs Prostate All subs Penis All subs Bladder All subs	,
Vagina All subs Vulva All subs Corpus uteri All subs Ovary All subs Prostate All subs Penis All subs Bladder All subs	
Vulva All subs Corpus uteri All subs Ovary All subs Prostate All subs Penis All subs Bladder All subs	•
Corpus uteri All subs Ovary All subs Prostate All subs Testis All subs Penis All subs Bladder All subs	equent cancers excluding cancer of the vagina
Ovary All subs Prostate All subs Testis All subs Penis All subs Bladder All subs	requent cancers excluding cancer of the vulva
Prostate All subs Testis All subs Penis All subs Bladder All subs	equent cancers excluding cancers of the female genital system
Testis All subs Penis All subs Bladder All subs	requent cancers excluding cancers of the female genital system
Penis All subs Bladder All subs	equent cancers excluding cancer of the prostate
Bladder All subs	equent cancers excluding cancer of the testis
	equent cancers excluding cancer of the penis
Kidney parenchyma All cubo	equent cancers excluding cancers of the renal pelvis, ureter, bladder and other urinary
	equent cancers excluding cancer of the kidney parenchyma
	requent cancers excluding cancers of the renal pelvis, ureter, bladder and other urinary
	equent cancers excluding cancer of the bone
	equent cancers excluding cancer of the soft tissues
	equent cancers excluding Kaposi sarcoma
	equent cancers excluding melanoma of skin
	equent cancers excluding ocular melanoma
•	equent cancers excluding cancer of the eye (non-melanoma)
	equent cancers excluding cancers of the brain and other central nervous system
	equent cancers excluding cancer of the thyroid
	equent cancers excluding cancer of the thymus
-	equent cancers excluding cancer of the adrenal gland
Hodgkin lymphoma All subs	equent cancers excluding Hodgkin lymphoma
Non-Hodgkin lymphoma All subs	equent cancers excluding non-Hodgkin lymphoma
Myeloma All subs	equent cancers excluding myeloma
Acute lymphocytic leukemia All subs	
Acute myeloid leukemia All subs	equent cancers excluding lymphocytic leukemia*
	equent cancers excluding lymphocytic leukemia* equent cancers excluding non-lymphocytic leukemia**
Chronic myeloid leukemia All subs	

^{*} Definition of lymphocytic leukemia is ICD-O-2 histology (type): 9820, 9821, 9822, 9823, 9824, 9825, 9826, 9828, 9850, 9940-9941

^{**} Definition of non-lymphocytic leukemia is ICD-O-2 histology (type): 9800, 9803-9804, 9830, 9840, 9841, 9860-9861, 9863-9864, 9866-9868, 9870, 9871-9874, 9880, 9890-9891, 9893, 9894, 9900, 9910, 9930 and ICD-O-2 site C420, C421, C424, and ICD-O-2 histology (type) 9827.
