2009 HEALTHY VISION COMMUNITY AWARDS RENEWAL APPLICATION

Please address the following questions in your application narrative.

(Your narrative may not exceed five single-spaced pages using 12-point Times New Roman font.)

3. PROJECT APPROACH AND ACTIVITIES-40 POINTS

Project Approach

- 1. Please describe your project's approach and objectives. Indicate any new changes since you received the 2008 award.
- 2. Please describe your project accomplishments and document the progress of the existing community award. Please attach your interim report.
- 3. Provide a detailed timeline showing project activities, key milestones, and the number of people you expect to reach by the completion of the second year. **Note**: The award is for a 12-month period beginning when the subcontract agreement is signed with Macro International Inc., but the project may be completed in a shorter period of time.
- 4. Please describe how the project activities will address an unmet need in this community. Describe how these activities present a new or innovative approach for this community.
- 5. Please describe how you plan to sustain this project once funding ends.

4. PROJECT DIRECTOR/COLLABORATIONS—15 POINTS

Project Director

- 1. Who will direct the project? Please provide a resume of the Project Director's skills, experience, and indicate if this person is replacing the director from the previous year. *Note: Project Director resumes do not count toward page limits.*
- 2. Please describe the primary responsibilities of the partnerships created to implement the project. List the names and contacts of new community groups collaborating with you on the project. The number of collaborations is not limited.

Collaborations

3. Identify the collaborators on this project and clearly define their specific contribution to the project. Please provide letters of support from each collaborator that detail their specific support.

5. PROJECT EFFECTIVENESS—25 POINTS

Project Measurement

- 1. Describe your performance in achieving the objectives set in year one.
- 2. What expectations do you have for the renewal project?
- 3. How will you continue to measure your project's effectiveness?
- 4. Identify any modifications to your methodology.
- 5. How will you sustain your program once the HVCA funds have ended?

6. BUDGET—20 POINTS

Budget Detail

- 1. Using the attached Budget Template, please provide a detailed, line-item budget.
- 2. Please provide justification for each line item funding amount requested to support project activities for the budget period.
- 3. Please detail in the budget template the in-kind contributions of your organization/agency.
- 4. Please detail in the budget template the in-kind contributions of your collaborators.

Note: Award funds cannot be used to cover indirect costs, vouchers for professional services, or the purchase of personal eyewear or eye examination equipment. See page 2 of the 2009 Healthy Vision Community Awards Application Guide for a full list of items not covered.
