

CRIS Access Form v2.1

Department of Clinical Research Informatics

Required for CRIS Access

Submission of this form is required for assignment, modification, or deactivation of CRIS access privileges, as mandated by NIH Information Technology (IT) Security Requirements, which specify that all users of an IT system must be granted access only to applications and information based on their job function and need to know. Please complete the following application for each individual requesting access or modification of access to the CRIS System.

Note:

Credentialed prescribers do not need to submit this form. Prescriber accounts are managed in coordination with the CC Credentialing Office, Medical Records Department.

Please read carefully the instructions for completing this form:

- 1. Fill-in all required information on the attached form. (pages 2-3)
- 2. Print the form and obtain authorizing signatures.
- 3. Deliver completed form to DCRI in Bldg. 10, Room 1C290.
- 4. Log into the Center for Information Technology (CIT) website to schedule your CRIS training. (http://training.cit.nih.gov/courselst.asp?lname=cris, search for CRIS courses)

Form Delivery

We recommend that you submit this form to DCRI at the Clinical Center no later than five (5) business days prior to the beginning of your CRIS training to ensure that your CRIS account will be ready upon completion of your training.
