

# Fourth EDRN Steering Committee Meeting

## Agendas

Thursday – June 21, 2001

### CLOSED MEETINGS -- EDRN MEMBERS AND INVITEES ONLY

- 8:00-9:00 Continental Breakfast (Provided)
- 9:00-9:15 Opening Remarks: Dr. Richard Klausner, Director, National Cancer Institute
- 9:15-9:20 EDRN Steering Committee Update: Dr. David Sidransky
- 9:20-9:30 Charge to Network Consulting Committee and Collaborative Groups: Drs. Sudhir Srivastava and Bernard Levin
- 9:30-12:30 Collaborative Group Meetings

- Network Consulting Committee (to include the Lung and Upper Aerodigestive Collaborative Group)

*Note: This is the first meeting of several planned meetings during which the EDRN Consulting Committee will consider organ-specific research and validation plans. Drs. Richard Klausner and Bernard Levin will moderate.*

- Breast and Gynecologic Cancers Collaborative Group
- Prostate and Urologic Cancers Collaborative Group
- Gastrointestinal and Associate Cancers Collaborative Group

12:30-1:30 Lunch (Provided)

1:30-2:15 Guest Speaker: Tissue Array Research Program at National Human Genome Research Institute - Dr. Olli Kallioniemi

2:15-3:15 Joint Meeting of EDRN Steering Committee and Network Consulting Committee

Collaborative Group Presentations

- Lung and Upper Aerodigestive Cancers Collaborative Group
- Breast and Gynecologic Cancers Collaborative Group
- Prostate and Urologic Cancers Collaborative Group
- Gastrointestinal and Associated Cancers Collaborative Group

3:15-3:30 Break

- 3:30-3:50 NIST Validation Study Presentation
- 3:50-4:15 DNA Microarray Data Analysis: Dr. Richard Simon, National Cancer Institute
- 4:15-5:00 Working Group Meetings: Proteomics WG, Knowledge Base WG, CECs piloting CDEs WG, Collaborations with Large Cohort Studies (CARET, PCPT, WHI) WG
- 5:00-7:00 Dinner (Not provided)
- 7:00-9:00 Collaborative Showcase: Prostate and other Urologic Cancers  
Dessert Reception

### **Friday - June 22, 2001**

#### **CLOSED MEETINGS -- EDRN MEMBERS AND INVITEES ONLY**

- 8:00-9:00 Continental Breakfast (Provided)
- 9:00-9:10 EDRN Administrative Issues  
Approval of minutes from January 2001 SC meeting
- 9:10-10:00 DMCC Updates

- IRB Update
- CDE Update
- Secure Website Update
- Statistical Consulting Available

- 10:00-10:15 Update on Molecular Taxonomy Meeting: Dr. Donald Henson
- 10:15-10:30 Liaison Reports
- 10:30-10:45 Break

#### **OPEN MEETINGS**

- 10:45-10:55 Welcome to Industrial Participants: Dr. Sudhir Srivastava
- 10:55-12:15 Partnership between EDRN and Industry (open meetings)

- Genomics at Celera: Dr. Emily Winn-Deen
- Proteomics at Celera: Dr. Scott Patterson
- Microarray at Affymetrix: Dr. David Craford
- Proteomics at Large Scale Biology, Inc: Dr. Norman Anderson
- Device Approval at the FDA: Dr. Steven Gutman

12:15-1:15 Lunch (Provided)

1:15-2:30 Industry Partnership Discussion with EDRN - Chairs: Drs. Melvyn Tockman & Greg Downing

2:30-2:45 Break

### **CLOSED MEETINGS -- EDRN MEMBERS AND INVITEES ONLY**

2:45-3:30 Informatics Pilot Project Demonstration

3:30-3:45 NCI Specimen Locator System: Marianna Bledsoe

3:45-4:00 Closing Comments: David Sidransky

## **Agenda for Network Consulting Committee Meeting - Thursday June 21, 2001**

Participants: Ad hoc advisors, EDRN Consultants, EDRN investigators focused on lung cancer, NCI Staff

1. Introduction and Purpose of the Meeting: Consulting Committee Chair or a designee
2. Review of Relevant Literature: EDRN Steering Committee Chair to lead and assign selected articles in advance:
  - Hypermethylation of Promoter Genes as Biomarkers for Lung Cancer Detection
3. Round-table Discussions On:
  - A. Technology Platforms
  - B. Hypermethylation Validation issues
    - Strength of the existing correlative studies on hypermethylation
    - Assay robustness and reproducibility
    - Discussion of study design
    - Time-line for implementation
4. Participants on Collaborative Studies on Hypermethylation:
  - Developmental
  - Clinical and Epidemiological
  - Validation
  - Data Analysis
5. Data Monitoring - all participating
