 CENTER**

## *Tours and Overviews of NIH*

### WALK-IN BASIS

#### **Overview of NIH**

9:30 a.m. - 10:15 a.m.

Tuesdays and Thursdays

Building 45, Room 1AS-13

301-496-1776

Following a 7-minute DVD video presentation about the NIH, the overview presentation covers historical aspects of the NIH as a Federal agency, the relationship between NIH basic research and clinical application and highlights current NIH research initiatives. Time is set aside for questions and answers.

### SIGN-UP REQUIRED

#### **Combined - Overview of NIH and Tour of Hatfield Clinical Research Center (CRC)**

11:00 a.m. - 12:00 p.m.

Monday, Wednesday and Friday

North Lobby, CRC

301-496-1776 (for sign-up)

Combining NIH organizational information with highlights of research priorities, the tour focuses on how the research hospital's unique design is making a difference in how the NIH works towards its mission. Possible stops along the way include patient services, NIH school, research corridor, patient library and the hospital chapel.

### AVAILABLE BY APPOINTMENT

Educational tours for school groups ranging from middle school through university level; special focus tours for health and science professionals; bus tours of the NIH campus. For further information, contact the NIH Visitor Information Center, Natcher Building 45, Room 1AS-13, 301-496-1776.
