

ANIMAL HEALTH AND SHIPPING CERTIFICATE

Health Certification:

The animals described hereon have been examined and found to be free of evidence of disease except as may be stated below. This certification is based on visual observation. Unless otherwise stated, no laboratory tests have been performed.

Certification of Air Temperatures:

I hereby certify that the animals in this shipment (are) (are not), to the best of my knowledge, acclimated to air temperatures lower than 7.2C (45°F).

Examining Veterinarian

Shipper's Statement:

The animals described hereon:

have not been inoculated with live microorganisms;  
 have been inoculated with live \_\_\_\_\_, microorganisms which are not known to be infectious to man or other animals except under experimental conditions.

Certification For Animal Enclosure:

I hereby certify that the \_\_\_\_\_ (number) primary enclosure(s) which are used to transport the animals(s) in this shipment complies (comply) with USDA standards for primary enclosures.
